Successful Business Model Transformations in Disruptive Times Thomas Rudolph, Markus Schweizer, 2024-06-17 The authors offer solutions for established corporations facing disruptive challenges. Based on extensive research and discussion, a unique management approach, the High 5 approach, has been developed to promote successful self-disruption in established corporations. At the center of this approach is the transformation of the core business. The book supports the idea of permanent self-disruption as the key to success for established players. *Successful Business Model Transformations in Disruptive Times* is aimed at the management of various industries. This book provides managers in established corporations with a theoretically sound and practical guide.

Understanding Business Ethics Peter A. Stanwick, Sarah D. Stanwick, 2024-05-08 *Understanding Business Ethics* Fourth Edition offers an impactful exploration into the realm of ethics in the global business environment. Authors Peter A. Stanwick and Sarah D. Stanwick integrate four key dimensions to differentiate their work from other ethics textbooks: a global perspective, real-world business cases, comprehensive ethics topics, and a consistent theme linking each chapter. Whether it's uncovering the intricate relations between businesses and their stakeholders, discussing the effects of financial reporting, or exploring the ethical implications of information technology, marketing, human resources, and the natural environment, this textbook equips readers with a robust ethical framework for the business world. Additionally, the timely case studies from diverse industries demonstrate the very real consequences of ethical and unethical decisions. This text is offered in Sage Vantage, an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto-graded assessments to drive student engagement and ensure accountability. Unparalleled in its ease of use and built for dynamic teaching and learning, Vantage offers customizable LMS integration and best-in-class support. AI Strategy for Business Leaders: From Core Concepts to Generative AI, Agentic AI, Ethics, and Strategic Implementation Ken Kwong-Kay Wong, 2026-03-16 *AI Strategy for Business Leaders: From Core Concepts to Generative AI, Agentic AI, Ethics, and Strategic Implementation* provides a timely and practical guide for executives and decision makers navigating the rapidly evolving landscape of artificial intelligence. In this book, Ken Wong demystifies the complexities of AI and presents its concepts in a clear, accessible way for leaders who may not have a technical background. Through practical explanations and step-by-step strategies, the book helps organizations understand how AI can be integrated into business processes while addressing critical issues such as ethical responsibility, potential workforce impacts, and the broader socio-economic implications of intelligent technologies. Going beyond theoretical discussion, the book explores the transformative role of emerging technologies such as Generative AI and the rapidly developing field of Agentic AI systems capable of planning, making decisions, and taking actions with minimal human intervention. Drawing on real-world examples and practical insights, Wong shows how AI already shapes everyday life and business operations, from personalized recommendations to intelligent automation. Designed especially for leaders seeking
