"Whatever It Is, I'm Against It" Brian Rosenberg, 2023-09-14 PROSE Award Finalist An invigorating work that identifies obstructions to transformative change in higher education and offers paths to break through In *Whatever It Is I'm Against It* president emeritus of Macalester College Brian Rosenberg draws on decades of higher education experience to expose the entrenched structures practices and cultures that inhibit meaningful postsecondary reform even as institutions face serious challenges to their financial and educational models A lively insider's account the book pinpoints factors that hinder the ability of U S colleges and universities to be creative and entrepreneurial amid calls to improve affordability access and equity for students Through pithy personal stories of divisive town hall meetings multiyear college governance battles and attempts at curricular reform Rosenberg illustrates internal and external dynamics that impede institutional evolution Pressures such as declining enrollment escalating costs and an oversupply of PhDs in academia have long signaled a grave need for reform within a profession that as Rosenberg ruefully acknowledges lacks organizational flexibility depends greatly on reputation and ranking and retains traditions from the academic calendar to grading systems that have remained essentially the same for decades Rosenberg looks outside the U S system to find possible antidotes in innovative higher education models such as student centered and experiential learning approaches This thought provoking work offers ample evidence for presidents chancellors deans provosts and faculty to consider as they plan their missions to achieve institutional transformation
