September 16, 2023

Lydia Manning, Head Veterinary
Quality Veterinary Laboratory
7168 Devonshire Street
Hastings, MN 55033

Dear Ms. Manning,

Throughout my career, I have contributed to positive business results through effective organization, prioritization and follow-through of key organizational projects. My strengths and qualifications are an ideal match for the veterinary technician supervisor requirements and will bring immediate value to Quality Veterinary Laboratory LLC.

In my former veterinary lab technician position, I exercised advanced surgical or treatment procedures supporting research activities and animal welfare. While I am independently motivated, I make information-based animal health decisions according to established procedures. Moreover, I am competent in diagnostic over 100 tests monthly, specimen processing, and chemical analysis and identification.

This opportunity is inspiring as my professional goals align with Quality Veterinary Laboratory LLC's mission and values. Further, my decision-making, collaboration, and communication abilities will support your continued organizational efforts.

To illustrate the scope of my career history and professional competencies, please take a moment to review my enclosed resume and the following certifications I have to offer:

- Assistant Laboratory Animal Technician (ALAT)
- Laboratory Animal Technician (LAT)
- Laboratory Animal Technologist (LATG)

I've attached my resume with additional details of my work experience and qualifications. If you have any questions, please feel free to contact me at 555-555-5555 or example@example.com.

Sincerely,

Aaron Peters
