Come As You Are: Revised and Updated Emily Nagoski, 2021-03-02 A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are* featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently and far less seriously than its male counterpart. That is until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized, but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it, and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Bridget Jones: Mad About the Boy Helen Fielding, 2013-10-15 NOW A PEACOCK ORIGINAL FILM NATIONAL BESTSELLER From the author of the bestselling *Bridget Jones's Diary* comes a hilarious and heartwarming novel. Join Bridget on her journey through romantic mishaps, technological misadventures, and the joys and trials of modern motherhood as she embarks on a new chapter and learns to embrace herself. Bridget's smart, she's funny, and she makes us all feel like we're good just the way we are. Jenna Bush Hager's *Today Feels Like Visiting with Your Funniest Friend* Entertainment Weekly Sharp and humorous Snappily written observationally astute Genuinely moving The New York Times Book Review Fourteen years after landing Mark Darcy, Bridget's life has taken her places she never expected. But despite the new challenges of single parenting, online dating, and wildly morphing dress sizes, she is the same irrepressible and endearing soul we all remember, though her talent for embarrassing herself in hilarious ways has become dangerously amplified now that she has 752 Twitter followers. Bridget navigates head lice epidemics, school picnic humiliations, cross-generational sex, and learns why one should never ever text while drunk. Studded with witty observations about the perils and absurdities of our times, *Mad About the Boy* is both outrageously comic and genuinely

moving As we watch her dealing with heartbreaking loss and rediscovering love and joy Bridget invites us to fall for her all
