unaddressed With a physician s knowledge and empathy Dr Comen follows the road map of the eleven organ systems to share unique and untold stories drawing upon medical texts and journals interviews with expert physicians as well as her own experience treating thousands of women Empowering women to better understand ourselves and advocate for care that prioritizes healthy and joyful lives for us and generations to come All in Her Head is written with humor wisdom and deep scientific and cultural insight Eye opening sometimes enraging yet always captivating this shared memoir of women s medical history is an essential contribution to a holistic understanding and much needed reclaiming of women s history and bodies Retail Management, Global Edition Barry Berman, Barry R.
