Nfl Standings Update Returns:

Last Team Standing Matthew Algeo,2013-09-01 During World War II the National Football League faced a crisis unimaginable today a shortage of players By 1943 so many players were in the armed forces that the league was forced to fold one team and merge two others the Pittsburgh Steelers and the Philadelphia Eagles the Steagles Its roster that included military draft rejects aging stars lured out of retirement and even a couple of active servicemen who managed to get leave for the games The team s center was deaf in one ear its wide receiver was blind in one eye and its halfback had bleeding ulcers One player was so old he d never played football with a helmet Yet somehow this motley bunch managed to post a winning record the first for the Eagles and just the second for the Steelers But Last Team Standing isn t just about football It s also about life in the United States during World War II a time of fear and hope of sacrifice and momentous change It s about rationing racism and Rosie the Riveter It s about draft boards bond drives and movie stars Above all it s about the men and women of the Greatest Generation who couldn t fight but helped win the war in immeasurable ways [J2EE and JAX](#)
