Leadership Emotional Intelligence and the Gender Divide serves as a practical guide to educate women men and
organizations on the barriers that keep women from fully contributing in the workplace These include differences in
leadership style and emotional intelligence gender bias and stereotypes breadwinner and caregiver responsibilities and
differences in gender culture which show up every day at work and home *The Power of Perception* also explores significant
changes in global demographic trends and how our youngest generations are impacting the workplace *The Power of*
Perception clearly illustrates the reasons that we don't see more women leading our global businesses It has nothing to do
with women's skills and competencies and everything to do with perceptions of women as leaders as workers as mothers and
as wives These perceptions have a significant impact on promotion for many women *Perception* is reality and it's powerful
The Power of Perception provides personal stories of women's journeys real world examples and is based on the author's own
research as well as that of many others Every chapter includes practical easy to apply strategies summary points and
reflection questions to empower women men and organizations to fully leverage talent and diversity *Essentials of*
