Barton,2015-02-20 Ruby Erickson was the best OR surgeon the small hospital had Management had mandated that the

doctors were to turn away any people for treatment that couldn't pay. Under strict orders to follow the rules or else Ruby operated on the young woman anyway. She'd never live long enough to survive the trip to County. Josh Ewing was suffering from a bad breakup. He had moved to the small town to get away from his cheating ex-girlfriend and former best friend and partner. His sister Bri was here and was all he had left in way of family. When Bri comes up missing, Josh is beside himself with worry. He finds his sister in a small hospital listed as a Jane Doe in critical condition. When he finds out that the doctor who saved her life had lost her job because she didn't turn his sister away, he wants to do all he can for her. She cut Josh off with a finger punching to his chest. "You're damn right I saved her life. And do you think that because you put money in my account or paid nearly a hundred grand to my loans that I'm somehow going to be beholden to you? You fucking bastard, take it back. All of it, right now." Josh shook his head and braced his arms over his chest as if to do battle. Quentin took a step back now. "He wasn't stupid. You heard me. I want you to take back that money now or so help me, you're going to need it for your own hospital bills. Even if I could, which I don't care if I can or not, I won't do it. You risked a great deal to save her life, and I pay my debts." Ruby growled and took another step toward Josh. It took Quentin several seconds to realize that something had happened in that short period of time. Ruby didn't have time for a mate, not now, not ever. Josh wasn't happy about it either, but discovered once he got past her stubborn surface that she really was a rare gem. But trouble doesn't elude them for long. That ex-girlfriend of Josh's was into some heavy stuff, things he didn't know about, things that could get them all killed, things that put them all on the radar of the wrong people.

Denver Kathi S. Barton, 2023-09-11 Denver Tucker just wants a new start for his family, so he contacts the king of his kind, Ronan Foster, and his wife Brook of Foster's Pride for help. The Fosters are more than happy to help the Tucker family to get a fresh start in California. Bailee Sims is having a rough time. Her former bosses in the US government won't take no for an answer when she refuses to continue working for them. They have made it their mission to make sure she's lost her house and her car and made sure that no business will hire her either. It is that situation that puts her in a long line on opening day for the Foster Tucker Foundation to open its doors. When the man behind Bailee in line whips out a gun to fire on Denver as he's opening the door to the Foundation, Bailee can't react fast enough before the gun fires, but she takes the man down before anyone else is hurt, but she is gravely injured too in the process. Denver just wants to thank the pretty woman for saving his life, but she's in no mood to talk, and when she finds out that Parker made her immortal to save her life, she is more pissed than ever.
