THE CONSERVATIVE AND UNIONIST PARTY
MANIFESTO 2017

The Conservative Party Manifesto 2017

Ying-Ying Zheng

The Conservative Party Manifesto 2017:

The Decade in Tory Russell Jones,2022-10-27 In 2020 the United Kingdom reached a bewildering milestone ten successive years of Conservative rule In that decade there were three prime ministers each in turn described as the worst leader we ever had ministerial resignations by the hundred and an unrelenting stream of ineffectual divisive bum slurry oozing from 10 Downing Street The Decade in Tory is an inglorious rollicking and entirely true account of ten years of demonstrable lies relentless incompetence epic waste serial corruption official police investigations anti democratic practices abuse of power dereliction of duty and hundreds of thousands of avoidable deaths With his signature scathing wit Russell Jones breaks down the government's interminable failures year by year covering everything from David Cameron's pledge to tackle inequality which reduced UK life expectancy for the first time since 1841 through the bewildering storm of lies and betrayals that led to Brexit devastating education cuts serial mismanagement of the NHS and Boris Johnson's calamitous response to the Covid 19 pandemic It will leave you gasping and wondering can things possibly get any worse

Youthquake 2017 James Sloam,Matt Henn,2018-12-06 This book is open access under a CC BY 4 0 license This book investigates the reasons behind the 2017 youthquake which saw the highest rate of youth turnout in a quarter of a century and an unprecedented gap in youth support for Labour over the Conservative Party from both a comparative and a theoretical perspective It compares youth turnout and party allegiance over time and traces changes in youth political participation in the UK since the onset of the 2008 global financial crisis from austerity to the 2016 EU referendum to the rise of Corbyn up until the June 2017 General Election The book identifies the rise of cosmopolitan values and left leaning attitudes amongst Young Millennials particularly students and young women The situation in the UK is also contrasted with developments in youth participation in other established democracies including the youthquakes inspired by Obama in the US 2008 and Trudeau in Canada 2015

[The Conservative Governments and Social Policy](#) Hugh Bochel,Martin Powell,2024-01-09 Focusing on the policy approaches of Conservative governments since 2015 this book examines key social policy areas including education health housing employment children and young people and more Respected social policy researchers explore the degree to which the positions and policies of recent Conservative governments have differed from the previous Coalition government 2010 15 They consider the extent to which austerity has continued and the influence of other policy emphases such as a levelling up agenda Reflecting on the rapid changes of Prime Minister they compare the themes of the Cameron May Johnson Truss and Sunak administrations critically examine the impacts of the external shocks of Brexit and COVID 19 and the changing patterns of public expenditure

The Parliamentary Battle over Brexit Meg Russell,Lisa James,2023-02-21 The Parliamentary Battle Over Brexit provides answers to those who want to understand the bitter arguments that occurred over Brexit what might have been handled better and the role that parliament played Since the 2016 referendum the hotly contested issue of Brexit has raised fundamental questions about the workings of British

democracy Nowhere was this more true than regarding the role of parliament This book addresses important questions about parliament's role in the UK constitution and the impact on this of the Brexit process While initially intended to re-establish parliamentary sovereignty Brexit wrought significant damage on the reputation of parliament and the wider culture of UK democracy Charting the full story of the parliamentary battle over Brexit Meg Russell and Lisa James show that it wasn't always what it seemed Based on careful documentary research and extensive interviews with key protagonists the book explores multiple nail-biting moments procedural innovations and political what-ifs Drawing on insider accounts alongside media and parliamentary debates the book puts the events of Brexit into context and provides a clear and reliable document of record on a complex and disputed story Ultimately it argues that Brexit was largely a battle inside the Conservative Party for which parliament got the blame Insightful and comprehensive the book is necessary reading to those with broader interests in British Politics the culture of UK democracy and the challenges of populism and democratic backsliding

Human Rights in the UK and the Influence of Foreign Jurisprudence Hélène Tyrrell, 2018-09-20 Longlisted for the 2022 Inner Temple Main Book Prize *Human Rights in the UK and the Influence of Foreign Jurisprudence* represents the first major empirical study of the use of foreign jurisprudence at the UK Supreme Court This book focuses on the patterns of use and non-use of rulings from foreign domestic courts in human rights cases before the UK Supreme Court Results are drawn from quantitative and qualitative research presenting data from the first eight years of Supreme Court activity The evidence includes interviews with active and former members of the senior judiciary as well as a focus group including some of the Supreme Court Judicial Assistants It is argued that foreign jurisprudence is more intimately woven into the fabric of judicial reasoning and serves a wider range of functions than the term persuasive authority might imply Foreign jurisprudence is used mainly as a heuristic device providing judges with a fresh analytical lens Foreign jurisprudence is also important when interpreting a common legislative scheme supporting dialogue between the Supreme Court and supranational courts such as the European Court of Human Rights The perspectives offered by foreign jurisprudence can also support a stronger conception of domestic human rights In these ways this book addresses a broader political question about the source of human rights in the UK

Brexit and Tourism Derek Hall, 2020-01-14 This book offers a multidisciplinary holistic appraisal of the implications of the UK's withdrawal from the European Union EU for tourism and related mobilities It attempts to look beyond the short to medium-term consequences of these processes for both the UK and the EU It is divided into four major sections Context Tourism Impacts Implications and Global Britain The volume employs case studies to highlight Brexit's ripple effects on tourism mobilities and immobilities It will be of interest to researchers students and policymakers in tourism European studies political geography regional development international relations and politics

Brexit's Winners and Losers. An Empirical Analysis of Economic Effects of Deglobalisation on the Financial Services Industry Lukas Kirchner, 2021-02-26 Bachelor Thesis from the year 2020 in the subject Business economics Banking Stock Exchanges

Insurance Accounting grade 1 0 European University Viadrina Frankfurt Oder language English abstract This paper aims to analyse the impact of a no deal Brexit regarding the Financial Services Industry Given the significant global integration of the UK s financial services industry as the largest exporter and the host of the world s leading centre of financial services the gained observations and experiences from the example of Brexit shed greater light on determining the consequences of deglobalisation on the financial services industry It will be assumed that no further agreements regarding Financial Services will be reached between the UK and the EU Further the impact will be analysed solely for the industries of the two directly involved parties thus the EU and the UK The UK will be considered as the exporting nation and the focus will be laid on UK based financial services firms which as a whole represent the UK s financial services industry The remainder of this paper is structured as follows after an initial introduction to Brexit and the development of the relationship negotiation in the third section the status quo of the financial services industry ante Brexit will be depicted In this regard the legal framework will be emphasised and the mutual reliance will be identified In order to forecast the future situation of the financial services industry after the transition period the legal relationship under WTO terms will be thematised in the fourth section Within this section a focus will be laid on the possible legal paths of the provision of financial services Based on the derived legal aspects and considering the political influences in the absence of any relationship in the fifth section a post transition period outlook for the financial services industry will be given
