A Rivalry of Hearts Tessonja Odette, 2025-07-31 *A Rivalry of Hearts* is a spicy standalone fantasy romcom in the *Fae Flings* and *Corset Strings* series Every book in this interconnected series is a complete story and ends with a HEA

If you like academic rivals enemies to lovers and quirky heroines then you'll love this sizzling tale DON'T MISS TESSONJA ODETTE'S BRAND NEW DARK ROMANTASY THE LIES THAT SUMMON THE NIGHT AVAILABLE NOW Two rival writers One prestigious publishing contract A bargain of hearts and desire They say never bargain with the fae They also say don't get drunk on fae wine Yet romance author Edwina Danforth has managed a blunder with both on her first visit to the infamous faelands Now she's trapped in a magic fuelled bet she barely remembers with a man she'd be happier to forget The terms Whoever can bed the most lovers during their month long duelling book tour wins a coveted publishing contract The win should be easy for Edwina She's known for penning scintillating tales of whirlwind romance There's just one problem her imagination vastly exceeds her bedroom experience But when failure means plummeting her career back into obscurity losing isn't an option Her handsome fae rival William Haywood poses an even greater challenge Not only are his looks as aggravatingly perfect as his track record behind closed doors but he has his own reasons for playing to win and he won't go down without a fight Unless of course it's a different kind of going down In that case he's fair game Edwina and William clash in a rivalry of romance But what happens when their objects of desire turn out to be each other The Fae Flings and Corset Strings series is set in the same world as The Fair Isle Trilogy and Entangled with Fae Journey back to this beloved fae world or fall in love for the first time *Close Liaisons* Anna Zaires, 2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci-fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re-read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person's mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer's impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a

word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding
