The Dictionary Of Obscure Sorrows:

The Dictionary of Obscure Sorrows John Koenig, 2021-11-16 Poetically defining emotions we all feel but don't have the words to express the creator of the popular online project of the same name invites readers on his epic quest to fill the gaps in the language of emotion [Oxford Studies in Metaethics, Volume 17](#) Russ Shafer-Landau, 2022-04-20 Oxford Studies in

Metaethics is the only publication devoted exclusively to original philosophical work in the foundations of ethics It provides an annual selection of much of the best new scholarship being done in the field Its broad purview includes work being done at the intersections of ethical theory with metaphysics epistemology philosophy of language and philosophy of mind The essays included in the series provide an excellent basis for understanding recent developments in the field those who would like to acquaint themselves with the current state of play in metaethics would do well to start here **Conference**

Proceedings - Emotions in Language Learning and Use Cornelia Herbert, Michał Daszkiewicz, 2023-06-12 Emotions are powerful so is language Emotions guide perception attention memory and decisions making They challenge or promote health and well being Evolutionary emotions have a physical origin and in line with this a significant proportion of emotional signals are communicated non verbally e.g. by the face gestures or voice Nevertheless in humans specifically language is taking over a pivotal role in conveying emotions by mentally representing emotions and feelings in terms of abstract concepts the latter being theoretically assumed to be grounded in perception action and bodily experiences Scientifically an emotion without language or a language without emotion perspective has been questioned recently by significant empirical evidence in support of a mutual dependence of emotions and language However core questions regarding this functional interdependence remain Open questions pertain to the role of emotions in language learning and its use which is the key topic of this year's ERL conference 2023 at Ulm University This year the ERL conference is aimed at crossing borders between disciplines research methods and interests in the field of basic and applied emotion and language research in an attempt to foster understanding of emotion and language and their interaction by providing answers to the questions outlined above The conference proceedings that contain all individual contributions to the ERL VI conference including the talks of our keynote speakers contribute to this joint interdisciplinary endeavor *Everything But Money* Jessica Moorhouse, 2024-12-31
