B. White, 2015-12-26 A Prescriptive American English Writing Style Guide *The Elements of Style* William Strunk Jr And E B White This book aims to give in brief space the principal requirements of plain English style It aims to lighten the task of instructor and student by concentrating attention in Chapters II and III on a few essentials the rules of usage and principles of composition most commonly violated In accordance with this plan it lays down three rules for the use of the comma instead of a score or more and one for the use of the semicolon in the belief that these four rules provide for all the internal punctuation that is required by nineteen sentences out of twenty Similarly it gives in Chapter III only those principles of the paragraph and the sentence which are of the widest application The book thus covers only a small portion of the field of English style The experience of its writer has been that once past the essentials students profit most by individual instruction based on the problems of their own work and that each instructor has his own body of theory which he may prefer to that offered by any textbook The numbers of the sections may be used as references in correcting manuscript The writer's colleagues in the Department of English in Cornell University have greatly helped him in the preparation of his manuscript Mr George McLane Wood has kindly consented to the inclusion under Rule 10 of some material from his *Suggestions to Authors* *The Elements of Style* is a prescriptive American English writing style guide in numerous editions The original was composed by William Strunk Jr in 1918 and published by Harcourt in 1920 comprising eight elementary rules of usage ten elementary principles of composition a few matters of form a list of 49 words and expressions commonly misused and a list of 57 words often misspelled E B White much enlarged and revised the book for publication by Macmillan in 1959 That was the first edition of the so called Strunk White which Time named in 2011 one of the 100 best and most influential books written in English since 1923 Cornell University English professor William Strunk Jr wrote *The Elements of Style* in 1918 and privately published it in 1919 for in house use at the university Harcourt republished it in 52 page format in 1920 Later for publication he and editor Edward A Tenney revised it as *The Elements and Practice of Composition* 1935 In 1957 at *The New Yorker* the style guide reached the attention of E B White who had studied writing under Strunk in 1919 but had since

forgotten the little book that he described as a forty three page summation of the case for cleanliness accuracy and brevity in the use of English Weeks later White wrote a feature story about Strunk s devotion to lucid English prose *The Elements of Style* William Strunk,2004 This style guide shows the writer and editor some guidelines in regard to grammar apostrophe placement expression and other writing tools **The Elements of Style** William Strunk Jr.,2017-08-14 This style manual offers practical advice on improving writing skills Throughout the emphasis is on promoting a plain English style This little book can help you communicate more effectively by showing you how to enliven your sentences I remember my Freshman year sitting in the Music Building lounge waiting for my next class when Maryanne came crashing in with an appropriate amount of chaos announcing to all Oh crap I can t find my Strunk and White Everyone else in the room apparently knew what she was talking about but I sat with a blank stare A few weeks latter my required English 101 professor insisted we hit the bookstore and buy *The Elements of Style* We were to treat it like the Holy Grail of grammar carry it with us at all times sleep with it and consider it our eternal faithful lover This would become the first of many copies of Strunk White that have come and gone in my life I think at one time I actually had four copies Maryanne made a similar pontification in the same lounge a month later Oh no I have lost my Boosey Hawkes which I did understand It may have sounded more erotic than Strunk White but certainly less dramatic For me Boosies and Hawksies came and went but Strunks and Whites have remained constant This year for my birthday I received yet another copy Only this edition is hardback and Illustrated At first I thought how queer can this be It has got to be a mistake It s a grammar book This had to be a novel a book on fashion or something sharing a name Nope Same Strunk White only this time with pictures Over the years I have acquired other books on grammar even one on Pittsburgh diction go figure but none can compare *The Elements of Style* is concise easy to understand and practically perfect It s the best Ever And a very clever artist has figured out how to illustrate sentence fragments misused words the hyphen participle phrases and lots of other teeth gritting English stumbling blocks in a very Magritte sort of way Yet there is one thing even the most excellent book won t be able to do as my friends will attest and this would be comma abuse of which I am the Master The gold standard No more need be said than to quote Mr Strunk s thoughts under the headline Omit Needless Words Vigorous writing is concise A sentence should contain no unnecessary words a paragraph no unnecessary sentences for the same reason that a drawing should have no unnecessary lines and a machine no unnecessary parts This requires not that the reader make all sentences short or avoid all detail and treat subjects only in outline but that every word tell And every word of Mr Strunk s as updated and expanded by the brilliant and self effacing E B White indeed does tell Don t touch your keyboard without reading this book ABOUT WILLIAM STRUNK JR William Strunk Jr was a professor of English at Cornell University and together with E B White author of *The Elements of Style* 1918

### **The Elements Of Style Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Elements Of Style has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Elements Of Style has opened up a world of possibilities. Downloading The Elements Of Style provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Elements Of Style has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Elements Of Style. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Elements Of Style. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Elements Of Style, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Elements Of Style has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
