Doc, When Can My Kid Play? Dr. Evan Mladenoff,2024-09-24 After you get a bump on the head does it feel like everything has gone wrong in your life Do you feel like everything you do makes you worse Are you stressed out that your doctor does not know why your headaches get worse when you play and they never go away If the answer is yes you are like so many of my patients from everyday people to professional athletes who are frustrated fed up and want to get answers for why they feel so bad after they get hit in the head They are tired of going to ER or urgent care for relief They have taken the recommended drugs they ve been listening to coaches that say You re okay It s just a bruise Now get in there and play and parents who do not know what to do or who to turn to for answers Nobody has told them what they can and cannot do and whatever they do it makes them worse When all else fails they turn on themselves with a self deprecating attitude for poor implementation lack of discipline and lack of willpower But that s all about to change Doc When Can My Kid Play is about helping people take charge of their recovery from a concussion It is unique in its use of simple effective diagnostic capabilities that are readily available but not very well known or not favored or advertised in mainstream pharmaceutical driven health care Doc When Can My Kid Play is based on over forty years of taking care of professional college and high school level athletes who have hit their heads People who have been in car accidents mothers who have hit their heads while nursing their babies people who have fallen walking their dog or just getting up in the middle of the night to go to the bathroom and hitting their head while falling These patients received the standard level of care from their team the hospital ER department or from clinics positioned as specializing in sports medicine These people in all walks of life who sustained head trauma continue to have life altering problems and are looking for help Your search for answers of how to get help and what to do will be answered in Doc When Can My Kid Play
