Finding a Likeness Nicholson Baker,2024-04-02 Named a Best Book of 2024 by Slate and a Most Anticipated Book of 2024 by Literary Hub From the acclaimed and bestselling writer Nicholson Baker a deeply personal account of his journey learning how to paint for the first time and a meditation on the power of art in times of crisis Nicholson Baker wanted to learn how to paint In 2019 after years of researching and writing about secret and often horrible government programs for his book Baseless My Search for Secrets in the Ruins of the Freedom of Information Act he was

wiped out Having been steeped for so long in the history of war violence and conspiracy the world had lost some of its brightness Photography had scratched a creative itch for years but now Baker was desperate to squeeze more out of what he saw he wanted to live slowly through the snatches of life he was recording in photos Maybe he thought he could learn to paint The idea consumed him but he was nagged by an even more debilitating doubt What if he failed Finding a Likeness is Baker s record of the years he worked to improve his artistic skills beginning with his first humble attempts to set paintbrush to paper Driven by a natural curiosity and a strong desire to paint faces clouds and landscapes that actually resemble faces clouds and landscapes he attends classes from local artists watches YouTube tutorials and seeks out master painters from the past and present in the hopes of uncovering their secrets In his inimitable voice Baker recounts the highs and lows of the creative process reflects on memories of growing up as the son of two painters and learns what it means to really see Filled with Baker s own art as well as the work of artists from around the world Finding a Likeness is a tender and deeply felt testimony to taking a step back and going back to basics Baker improves dramatically in his craft but as he considers what it means to try fail and try again he discovers far more than what it takes to paint a cloud rather he shows us how to bear witness to the world to the good and the bad and to do it all justice with paper and ink
