## **Backgammon Bootcamp Trice:**

*Backgammon Boot Camp* Walter Trice,2004-05-01 Originally a series of articles that appeared online at GammonVillage.com Every aspect of the game is covered from the most fundamental to the most advanced **Second Wind** Chris

Bray,2007-04-12 Chris Bray is the backgammon columnist for The Independent newspaper in London In this anthology he traces the development of on line play and looks at many other aspects of the game In the five years since the publication of Chris s last book *What Colour is the Wind* the spread of broadband connectivity has driven unprecedented growth in backgammon on the Internet Backgammon playing computer programs such as Snowie and gnuBG are helping players of all strengths to develop their game The material in this book covers not only the development of backgammon theory but also looks at the history of the game Several new players including the Dowager Duchess have joined his menagerie to help to paint a graphic picture of life in the high stakes chouette the very lifeblood of backgammon Chris s articles are targeted at a broad range of players and everyone from the casual player to the expert will improve their game by studying the diverse positions in this book **Backgammon in the Wind** Chris Bray,2016-05-30 This is the final at least for now book in the

Wind series of backgammon books The book is an anthology of the final three years of Chris s columns from The Independent newspaper in the United Kingdom plus some other material produced for the United Kingdom Backgammon Federation

*The Wind of Change* Chris Bray,2013-08 Chris Bray is the backgammon columnist for The Independent and has been playing and studying the game for over thirty years In this anthology of his most recent Independent articles he traces the further development of many aspects of the game The game continues to evolve and the last twenty years have seen a period of rapid development in the game This is largely because of the advent of backgammon computer programs JellyFish Snowie and most recently eXtreme Gammon Consequently the modern expert player is light years ahead of his 1990s counterpart The material in this book covers not only the development of backgammon theory but also looks at the history of the game including some of its more famous and colourful players The timeless characters that make up Chris s menagerie continue to paint a vibrant picture of life in the high stakes chouette Sherlock Holmes and Doctor Watson are also on hand to lend instruction and for this book Jeeves and Wooster have joined the party as well [What Colour is the Wind?](#) Chris

Bray,2006-05-25 The game of backgammon has developed significantly over the last four to five years It is no coincidence that this development has happened in parallel with the arrival of sophisticated computers Chris Bray is the backgammon columnist for The Independent newspaper in the UK In this anthology of his Independent articles of the last four years the arrival and influence of the silicon players can be clearly traced The material covers not only the development of backgammon theory but also looks at the history of the game such as the advent of the doubling cube and some of the more colourful players who have played the game A menagerie of players such as Barry Bigplay Nigel Natural and Quentin Quickcube help to paint a graphic picture of life in the high stakes chouette the very lifeblood of backgammon Chris s articles

are targeted at a broad range of players and everyone from the casual player to the expert will improve their game by studying the couple of hundred positions in this book

**Wind Assisted** Chris Bray,2010-02-26 Chris Bray is the backgammon columnist for The Independent newspaper in London and has been playing and studying the game for over thirty years In this anthology of his most recent Independent articles he traces the further development of many aspects of the game Backgammon is changing rapidly and much of it is now played on line which requires some different skills In tournament backgammon clocks are becoming the norm which means that a premium is now placed on the ability to analyse accurately at speed Computers continue to get faster and backgammon playing programs continue to improve which can only help the average player to improve his game as well The timeless characters who make up Chris s menagerie continue to paint a vibrant picture of life in the high stakes chouette the very lifeblood of backgammon Sherlock Holmes and Doctor Watson are also on hand to lend instruction

*Backgammon to Win* Chris Bray,2007-05 This text introduces beginners and those who haven t played for years to the strategies and tips needed to play the game well whether its to make serious money in tournaments or just playing for fun at a board with friends

Teach Yourself Backgammon Michael Crane,2007-02-02 Learn to play backgammon from the best Teach Yourself Backgammon is the ultimate guide to playing the 5 000 year old board game that combines the thrilling uncertainty of craps with the strategic complexity of chess Packed with practical fun exercises it provides you with clear step by step instruction in the basics as well as advanced strategies from some of the world s top tournament players
