**Women's Activism Online and the Global Struggle for Social Change** Carmit Wiesslitz, 2023-09-07 This book showcases the online activism of women's groups around the world in the post MeToo era and presents an overview of the diversity of its current expressions The focus of this book extends beyond campaigns against rape culture to include women's struggles on other political and environmental issues such as the campaign against the radical right wing in Austria Moreover the book's chapters highlight the genuine complexity of the efforts of women activists who are not only challenging the patriarchal order within male controlled digital platforms but are also challenging the hegemonic voices within the women's movements The book's case studies attest to the proliferation of digital campaigns aimed not only against discrimination of women but against discrimination based on their color age ethnicity and nationality The internet helps them to voice their agenda and strive for social change as well as to create both connective and collective identities

**Incels and Ideologies** Frazer Heritage, 2023-12-11 This book explores how incels use language and other semiotic resources to construct ideologies of gender and race ethnicity The author theorises and positions incels performances of masculinity against a backdrop of broader social sciences and linguistic literature and discusses some of the limitations of different lenses through which incels have previously been understood as well some of the ethical issues involved with researching a hostile community Corpus linguistic methods and netnographic reflections are used to explore how incels construct ideologies about gender gendered social actors and race ethnicity as well as where these concepts intersect Taking a post structuralist critical analysis to this community reveals a number of way ideologies towards different groups based on social identities are linguistically constructed This book will be relevant to those

researching or studying language gender and sexuality sociology and criminology Outside of academic applications it is also written in a way that is accessible to external organisations interested in equality and the prevention of incel ideology motivated offline attacks

Transformations in Criminal Jurisdiction Micheál Ó Floinn,Lindsay Farmer,Julia Hörnle,David Ormerod KC,2023-08-24 Can traditional approaches to criminal jurisdiction adapt to the new global reality of the digital era In this innovative book leading experts in criminal international and internet law unite to address this fundamental question They consider how jurisdictional regimes are orientated around concepts of territoriality and extraterritoriality how these categories are increasingly blurred in the digital era and how a range of jurisdictional transformations are occurring in the process Part I presents novel doctrinal empirical and theoretical perspectives on criminal jurisdiction exploring how states are shaping and reimagining jurisdictional concepts in the crafting and interpretation of criminal offences and the ramifications of increasing jurisdictional concurrency in state practice Part II focuses on the investigative and enforcement powers of the state to assess how these issues are transforming traditional understandings of jurisdictional rules and boundaries the challenges and opportunities that these present for law enforcement authorities and the sorts of constraints and safeguards that may be necessary as a result The picture that emerges is a world of jurisdictional rules in a state of flux which demands the diversity of legal perspectives presented in this book for documenting rationalising and moving beyond the transformations that are taking shape in modern statecraft
