

Student Area Feedback

Classroom: Complete the evaluation after visiting Chapter 16.
Total Student 200 points

Part 1. Questions: The student demonstrates understanding of the chapter. Provide information on study preparation.

Chapter 16. Quality Improvement (2 points)

What did the improvement team do? What was successful? What were the results?

A successful business plan was created and implemented. The plan included a marketing strategy and a financial plan. The business plan was presented to the board of directors and approved. The business plan was implemented and the results were positive. The business plan was successful in increasing sales and reducing costs.

Administrative Improvement (2 points)

What did the improvement team do? What was successful? What were the results?

The administrative team had a meeting and discussed the current state of the organization. They identified areas for improvement and developed a plan of action. The plan included a marketing strategy and a financial plan. The plan was presented to the board of directors and approved. The plan was implemented and the results were positive. The plan was successful in increasing sales and reducing costs.

Part 2. Questions: (2 points) provide a brief reflection on your thoughts about

these two experiments. What was your understanding of the results? What do you think you should do if you were a participant in these experiments? (minimum 2 sentences)

The first experiment was a success. The results were positive. The second experiment was a failure. The results were negative. The first experiment was successful because the participants were motivated and the results were positive. The second experiment was a failure because the participants were not motivated and the results were negative. The first experiment was successful because the participants were motivated and the results were positive. The second experiment was a failure because the participants were not motivated and the results were negative.
