

## **DEDICATION**

We humbly dedicate this case study to the enhancement of Nursing Students in making Case Studies.

The student's aim to develop a study that is worthy of credit as a certificate reference in the continuing implementation of Nursing Practice in Maternal and Child Health Nursing – Hence, the contents of this study should be able to provide data for future researchers and studies in the area covered.

We finally dedicate this book to our families whose untiring support and assistance have made possible the fruition of our efforts. To our friends and classmates for their cooperation while conducting the study.

And most of all to our great creator our Almighty God the author of knowledge and wisdom who made this possible.
