Hi, I can make it

Dear Customer Service,

I'm writing to request a refund for my cancelled flight, # 1234, on February 4, 2020. I understand that you are offering a credit and a gesture of goodwill, but I would prefer a refund for the cost of my ticket.

There has been a huge amount of press coverage for how airlines will have always been satisfied with you service. However, I am very disappointed with the way my flight has been handled. I can not give any adverse notice of the cancellation and I was forced to make alternative arrangements at the last minute. This wasn't a good day or experience at all.

Thank you for taking the time to help me understand the the problem. I understand that you've received a lot of my support for your attention.

Thank you for your time and consideration.

Sincerely,
John
