A Pawfect Life Dion Chang, 2025-11-11 Your pet runs your life You just haven't admitted it yet From booking a seat on Bark Air to planning a pet friendly holiday A Pawfect Life is packed with practical advice for modern pet parents along with a hilarious deep dive into just how far we've gone to pamper our furry overlords Dion Chang unpacks the latest trends from CBD treats for anxious dachshunds to birthday pawties as well as pawternity leave for new pet owners while also tackling the trickier side of pet parenting Speaking to animal behaviour expert Leigh Shenker Chang explores why we spend small fortunes on our pets and whether treating them like tiny humans is actually a good idea As a trained pet doula he also delves into the complexities of pet loss grief and saying goodbye Equal parts insightful and absurd this book will make you laugh rethink your pet's power over you and finally figure out how to navigate an airport pet relief zone like a pro **The**

Influence of Flourishing and its Associated Factors on the Mental Health and Well-Being of Individuals Giancarlo Lucchetti, Juliane Piasseschi de Bernardin Gonçalves, Homero Vallada, Rocío De Diego-Cordero, Bárbara Badanta, 2025-12-04 The mental health burden is increasing posing challenges to healthcare systems worldwide Aiming to reduce this burden new models of care are using some concepts of the positive psychology to generate observational evidence and to propose interventions such as the case of values virtues and flourishing Flourishing is defined by VanderWeele as the relative attainment of a state in which all aspects of a person's life are good including the contexts in which that person lives which includes domains of human life such as i happiness and life satisfaction ii health both mental and physical iii meaning and purpose iv character and virtue and v close social relationships and four pathways i.e family work education and religious community These domains have been increasingly studied over the past decades and are based on a less disease oriented and a more person centred view of healthcare Although there is a consolidated literature investigating the factors associated with mental health and well being among different populations more evidence is needed concerning the role of values virtues and flourishing This research topic aims to understand further the role of flourishing or its associated factors on the well being and mental health of different populations bringing new insights and novel approaches to address the mental health of individuals For this topic we are considering the following associated factors of flourishing forgiveness meaning purpose character virtues kindness altruism volunteering spirituality religiosity transcendence gratitude savoring compassion resilience family and flourishing as a general term preferred To achieve this goal we are seeking high quality studies that could bring novel findings generate robust data propose new interventions and explore the mechanisms of actions for the relationship between different domains of flourishing and mental health This Research Topic will include the following topics Understanding the definitions and concepts of flourishing based on systematic or scoping reviews of the literature Systematic reviews with meta analysis concerning the association between flourishing or its associated factors on the mental health and or well being of individuals Observational preferred longitudinal studies assessing how flourishing or its associated factors

may have an influence on the mental health and well being among different populations Studies experimental or quasi experimental proposing and investigating the effectiveness of different flourishing interventions or its associated factors on the mental health and well being of individuals Studies addressing the mechanisms by which flourishing or its associated factors may lead to mental health and well being outcomes Studies that use instruments scales of flourishing Qualitative studies following COREQ or SRQR checklists aiming to understand flourishing and its relationship with mental health
