### Gary Flaxberg - Resume - CV

Design photographer videographer

A Google Wave "resume" is such a thing created! Just not 100 percent. The founder of the idea. We will a lot of pixels, illustrations, photographs, and images about you as a professional. However, we do not do it in a physical sense and not on a piece of paper. As a designer, I find it most rewarding when we can create an experience out of something ordinary. Something that can bring a smile to the face. Something that is not what you expect it to be. Something simple, yet with multiple layers of information. Something that you can gaze and get an idea of the story.

Can Google Wave do all this in a resume? I don't know. But what if you I hope you like it. If you do, email me at gflaxberg@gmail.com

Also, take a look at my portfolio at www.gflaxberg.com

Looking for a "normal" web resume? Check the business card icon - right hand corner, where I currently live.
