*Authors, Users, and Pirates* James Meese, 2018-02-16 An examination of subjectivity in copyright law analyzing authors users and pirates through a relational framework In current debates over copyright law the author the user and the pirate are almost always invoked Some in the creative industries call for more legal protection for authors activists and academics promote user rights and user generated content and online pirates openly challenge the strict enforcement of copyright law In this book James Meese offers a new way to think about these three central subjects of copyright law proposing a relational framework that encompasses all three Meese views authors users and pirates as interconnected subjects analyzing them as a relational triad He argues that addressing the relationships among the three subjects will shed light on how the key conceptual underpinnings of copyright law are justified in practice Meese presents a series of historical and contemporary examples from nineteenth century cases of book abridgement to recent controversies over the reuse of Instagram photos He not only considers the author user and pirate in terms of copyright law but also explores the experiential element of subjectivity how people understand and construct their own subjectivity in relation to these three subject positions Meese maps the emergence of the author user and pirate over the first two centuries of copyright s existence describes how regulation and technological limitations turned people from creators to consumers considers relational authorship explores practices in sampling music licensing and contemporary art examines provisions in copyright law for user generated content and reimagines the pirate as an innovator

**No Filter** Sarah Frier, 2020-04-14 Winner of the 2020 Financial Times and McKinsey Business Book of the Year Award Finalist for SABEW S Inaugural Best in Business Book Award In this sequel to *The Social Network* The New York Times award winning reporter Sarah Frier reveals the never before told story of how Instagram became the most culturally defining app of the decade The most enrapturing book about Silicon Valley drama since *Hatching Twitter* Fortune *No Filter* pairs phenomenal in depth reporting with explosive storytelling that gets to the heart of how Instagram has shaped our lives whether you use the app or not The New York Times In 2010 Kevin Systrom and Mike Krieger released a photo sharing app called Instagram with one simple but irresistible feature it would make anything you captured look more beautiful The cofounders cultivated a community of photographers and artisans around the app and it quickly went mainstream In less than two years it caught Facebook s attention Mark Zuckerberg bought the company for a historic 1 billion when Instagram had only thirteen employees That might have been the end of a classic success story But the cofounders stayed on trying to maintain Instagram s beauty brand and cachet considering their app a separate company within the social networking giant They urged their employees to make changes only when necessary resisting Facebook s grow at all costs philosophy in favor of a strategy that highlighted creativity and celebrity Just as Instagram was about to reach a billion users Facebook s CEO Mark Zuckerberg once supportive of the founders autonomy began to feel threatened by Instagram s success Frier draws on unprecedented access from the founders of Instagram as well as employees executives

and competitors Anna Wintour of Vogue Kris Jenner of the Kardashian Jenner empire and a plethora of influencers worldwide to show how Instagram has fundamentally changed the way we show eat travel and communicate all while fighting to preserve the values which contributed to the company s success Deeply reported and beautifully written Nick Bilton Vanity Fair No Filter examines how Instagram s dominance acts as lens into our society today highlighting our fraught relationship with technology our desire for perfection and the battle within tech for its most valuable commodity our attention
