Weight Loss Plan Near Me Setup:

The 20/20 Diet Phil McGraw, 2015-01-06 In *The 20/20 Diet* Dr Phil McGraw identifies seven reasons other diets fail people over and over again: hunger, cravings, feeling of restriction, impracticality, and expense, boredom, temptations, and disappointing results or plateaus. Then he addresses each of these roadblocks by applying the latest research and theories that have emerged since his last best seller on the same topic, *The Ultimate Weight Solution*. Dr Phil and his team have created a plan that you can start following right now and continue working for the rest of your life. In this diet, readers will start by eating only 20 key ingredients called the 20/20 Foods, which theories indicate may help enhance your body's thermogenesis and help you feel full. But that's just the beginning. This book explains why you haven't been able to lose the weight before and empowers you with cognitive, behavioral, environmental, social, and nutritional tools so you can finally reach your goal and learn lifelong healthy habits to maintain those results.

The No-Beach, No-Zone, No-Nonsense Weight-Loss Plan Jim Johnson, 2005 *THE NO BEACH NO ZONE NO NONSENSE WEIGHT LOSS PLAN* is based entirely on an analysis of scientific studies so that it is fact-based research on successful dieters that shows how they got the weight off and kept it off. Diet and exercise strategies that can be done at home. What is currently on the market: a lot of diet and weight loss books with gimmicks and a lot of fluff, but very few theories that are supported by randomized controlled trials. *THE NO BEACH NO ZONE NO NONSENSE WEIGHT LOSS PLAN* is the antithesis of these books. The author has reviewed the weight loss literature, found proven solutions, and put it all in a digestible format for the lay person. The book contains self-help information on calculating calorie needs and determining your BMI, the truth about cellulite and spot-reducing, whether your weight is threatening your health, why your weight problem isn't all your fault, calculating the percentage of fats, carbs, and protein in your diet, a little-known exercise strategy shown to work in many controlled trials, detachable exercise and calorie count cards. *THE NO BEACH NO ZONE NO NONSENSE WEIGHT LOSS PLAN* is easy to read, practical, and contains a simple, workable plan for anyone.

The Tapping Diet Carol Look, Jill Cerreta, 2014-11-18 Finally a weight loss approach with results that last. Forget fad diets and spending hours at the gym. *The Tapping Diet* shows you how to shed excess pounds with the power of Emotional Freedom Techniques (EFT). This cutting-edge therapy uses tapping to move past the mental roadblocks that stand in the way of your weight loss. In this revolutionary book, author and EFT master Carol Look guides you through tapping scripts and daily exercises that help you turn reconditioned thoughts into action and make lifestyle changes that last. You'll also learn how to use tapping to increase your confidence and take control of the impossible: cravings, sabotaging notions, and self-imposed limitations that prevent you from reaching your health goals. Complete with 50 delicious, easy-to-make recipes, *The Tapping Diet* will help you tap your way to incredible weight loss and a lifetime of healthy living.
