behind the modern Premier League struck gold Pretty soon everyone wanted to try their luck from Russian oligarchs to Emirati sheikhs American tycoons and Asian Tiger titans Some succeeded beyond their wildest dreams Some lost everything Today players are sold for tens of millions clubs are valued in the billions and games are beamed out to nearly two hundred countries all while the league struggles to preserve its English soul Deeply researched and drawing on one hundred exclusive interviews including the key decision makers at every major English team The Club is the definitive and wildly entertaining narrative of how the Premier League took over the world **Sports Illustrated** ,1963
