[Company Name],

I am writing to apply for the English Tutor position with your institution. With my enthusiasm for teaching and helping young learners, I am confident that I am the ideal candidate for this role.

I recently graduated with a Bachelor's degree in English, and while in school, I was a volunteer tutor for two different organizations. I was responsible for teaching English grammar, writing, and reading skills to students of all ages. I am passionate about helping students learn and excel, and I have the ability to make learning fun and engaging.

I am a patient and organized individual who is able to quickly assess a student's strengths and weaknesses and create an effective lesson plan to help them reach their goals. I also have strong communication skills and can effectively communicate with students and parents. I am comfortable working with children from various backgrounds and am comfortable with adapting my teaching style to best suit each student's needs.

I believe I have the necessary skills and qualifications for this position and I look forward to discussing them with you in more detail. Please feel free to contact me at your earliest convenience to arrange an interview.

Sincerely,

[Your Name]

What You Should Know When Looking for a Job in Today'S Marketplace, 2Nd Edition Richard A. Wittmeyer, 2011-01-20 The Hiring Process Yesterday versus Today Years ago it was fairly easy to find a new position Search firms would call you with a position opening and you could take your time selecting between job offerings Or friends contacted you with tips that a company down the road was hiring and needed people with your skills All that you needed to do was to update your resume from time to time and everything fell into place Today we have a different situation the marketplace is crawling with competition for those jobs The time to sit back and think that a company will find you is no longer realistic You need to put together a well thought out action plan to seek the job you want This book will assist you in setting new goals and evaluating new career options It will help you manage your job transition and employment campaign in a realistic systematic and organized way What You Should Know When Looking for a Job in Todays Marketplace 2nd edition shares effective job search methods and a plan of action that will assist Those that are out of work and seeking employment Those anticipating a reduction in the workforce at their company and are out looking for other opportunities Military personnel returning to civilian life and are seeking employment College students just graduating and ready to enter the world of work People dissatisfied in their current positions and want to move on More mature job candidates that are out of work and not ready for retirement Those returning to the workplace after many years of absence The book will assist you in setting employment goals and evaluating new career opportunities It will help you manage your job transition and employment campaign in a systematic and organized way by providing you with the needed tools skills and knowledge that will ensure a successful outcome Dr Richard Wittmeyer relies on his thirty years of experience in talent acquisition career and performance management human resources employment coaching and strategic organizational development in order to help others productively manage a job transition during these uncertain times Job seekers will learn how to Identify their personal strengths and job accomplishments Design and implement a job search and networking strategy that works

Construct and present a resume and cover letter that sells Target the job search through the use of solid letter writing and telephone campaigns Realize the importance of Networking and how to make it happen Make a great impression during the interview Develop an elevator speech that will identify you as a person of interest Accept the position that you desire Settle into your new job Special Feature Land that new job right after college Special Feature Develop an employment strategy for those over 50 And much more Despite todays challenging times in the job market there are still success stories happening every day as companies continue to look for talented people The practical information and concrete examples included in this valuable field manual will help guide others to success by teaching a complete process that helps anyone take control of their employment future

Career Planning Today C. Randall Powell,1981 *101 Best Cover Letters* Michael Betrus,Jay A. Block,1999-04-22 Beat out the competition for the best jobs Create an image of accomplishment professionalism and competence that today s employers are begging for Job seekers have paid hundreds of dollars for the expertise in these dynamic guides and regarded every cent as well spent With these job landing tools on your desktop you ll have the same savvy working for you for far far less with the same great results 101 Best Resumes packs tried and proven advice you ll use to Create a resume that gets you in the door Target your resume for a specific positions over 70 different categories are covered Experiment with traditional and new formats More 101 Best Cover Letters shows you how to put together compelling letters to accompany your resume Learn how to Ignite interest with the first two sentences Turn references into endorsements Send your cover letter online Pick up smart interviewing tips negotiate a higher salary use the Internet in your job search work with recruiters and much much more

Cover Letter Andrew Lewis,2016-09-20 Getting Your FREE Bonus Download this book read it to the end and see BONUS Your FREE Gift chapter after the conclusion Cover Letter FREE Bonus Included How to Write a Cover Letter that Will Get You Hired In this book you will find some great tips and suggestions to help guide you towards developing that cover letter that is going to help you land the job your are seeking The job market is becoming more and more overcrowded making it harder to get noticed Most jobs today are getting far too many applications Due to the advanced technology that companies have to work with today it enables them to post their job openings to a mass audience With companies being able to target a larger audience this boils down to more competition for every job out there Many people are out there applying for jobs that they should never bothered to apply for in the first place Hiring managers and recruiters end up literally swamped with far too many applications than they have time to read Often many of these will have no cover letters or have letters that are just too generic and add no special value that makes them stand out from the competitors letters With the information provided within these pages you will learn how to develop a cover letter that is going to get noticed and stand out from the crowd or pile of other applications You need to learn how to write a cover letter that is going to make a great first impression that cannot be ignored By creating the perfect cover letter this is going to help ensure that you made a great impression fast Learn what you need to do in order to accomplish this by reading the contents

of this book I can assure you that you will be glad you downloaded it especially when you see positive results from possible future employers Download your E book Cover Letter How to Write a Cover Letter that Will Get You Hired by scrolling up and clicking Buy Now with 1 Click button [Get It Done: Write a Cover Letter](#) Jeremy Schifeling,2018-09-25 Want to write the perfect cover letter But don't have time to read through a 300 page book first Then Get It Done is for you Here's why it's been a Kindle best seller for six years in a row 1 It's fast The whole book takes about 30 minutes to read 2 It's to the point It breaks the cover letter down to 12 parts and gives you a precise template to complete for every single step 3 It works I developed this system while serving as a Recruiter for Teach For America I've since taught it to MBAs as a Career Coach at the University of Michigan leading to job offers from Apple GE Microsoft Amazon LinkedIn and Google And the system has even been featured in U S News I was just another piece of paper in the deck Jeremy's beneficial insight to the cover letter was against my traditional understanding His direct nature and step by step guidance proved to be beneficial in my search I was able to go through the book and develop a brand new cover letter from scratch in less than an hour Given the price of the book and the time it takes to go through there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer LJ If you like me hate writing cover letters then this book is for you Before reading this book I was not even using cover letters because I thought they didn't matter and I didn't know what to say I just sent as many resumes as possible to as many job postings as possible This book changed my life It convinced me no doubt one of the most shameless no cover letter resume spammers out there to stop and write a cover letter Plus Schifeling lays out a series of clear quick steps that make it easy and anxiety free Jane E Nevins What you'll get A sample cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga A cover letter template that's broken down into step by step chunks making it easy to apply to your own application The definitive cover letter format that recruiters and hiring managers prefer based on actual recruiting and hiring experience
