book today and ROCKET your business to the top *Google My Business 4.0 Training Guide* Laura Maya, 2022-02-17 Google My Business now known as the Google Business Profile enhanced as a free service that helps small businesses manage their online presence. It allows them to create a Google Business profile page which is a dedicated page for their business on Google Maps, Google search, and other Google products all together in one place. Google and the pandemic has made GMB into the most important local marketing tool for SMBs and multi-location brands. The search engine has easily retained its position as the most popular search engine in the world with over 92% of the search market share and it is only growing. Therefore, it is vital for businesses to optimize their sites for Google search. For all businesses, business profile is an essential part of any business's online presence and is often the first place customers look for up-to-date information about your company. In the age of Covid-19, this is more true than ever; they're going to Google your business's name and check the right-hand panel for the information they need. Creating, authenticating, and correctly optimizing your business account is a priceless opportunity, which is why you should make use of it to the maximum, and here with *Google My Business 4.0 Training Guide*, this book is the 4th book in a series under the same title of which we maintain the same will assist every business to enhance their Google Business Profile. In each chapter of the guide, we'll cover a different topic you should have a foundational understanding of what Google My Business is and how to use it to gain more visibility in local search for your or your client's business. Using the strategy and information provided in our *Mastery Guide*, you will master the essentials of claiming and optimizing an effective GMB listing that will get you top rankings. Throughout the guide, keep your eyes peeled for top tips, expert advice, and recommended resources. This course includes some of the recent critical updates including the latest features and updates to Google My Business: How to Add Keywords to Google My Business Profile, What are GMB Insights and Analytics, and How to use them, How to create them, and tips for creating winning Google My Business Posts, Tips for Practitioner Listings in the profile, What are the big mistakes to avoid with Listings and how to fix them, What is Google Knowledge Panel, how to create it and edit it, Why are Google Reviews Important, How to Track them, how to respond to them, Business Case studies, and so much more. The events of the past year have catapulted GMB into the digital marketing spotlight. Every month, an average business gets 59 actions from GMB listing; 49% of the business gets 1,000 views monthly. Eighty-six percent of people look at the location of a business through Google Maps. Backlinko 2020: Businesses enjoyed a 61 percent increase in calls from January to July 2020 thanks to their listing. Small Business Trends 2020: More than 5 percent of views on its page result in a conversion. Search Engine Journal 2019: Mobile queries centered around where to buy and near me keywords increased by over 200 percent in the last two years. Amid the Covid-19 pandemic, it's more crucial than ever that you utilize and optimize GMB to display accurate, updated information about your business.
