Bestselling author Robert Sutton and his Stanford colleague Huggy Rao have devoted nearly a decade to uncovering what it takes to create and spread outstanding performance and in *Scaling Up Excellence* they share the fruits of their research. Drawing on case studies that range from Silicon Valley enterprises to non profit organisations they provide crucial insights into corporate cultures both good and bad and offer a road map for establishing and stimulating excellence. In the process they show how to use premortems when making big decisions about change. They reveal why seven is so often the magic number when it comes to team size. They examine successful and unsuccessful quests for improvement in hospitals schools and elsewhere. And they discuss when a single corporate mindset is best. Catholicism and when local variation is preferable. Buddhism. *Scaling Up Excellence* is the first management book devoted to what is or should be a core priority for every organisation. As such it is destined to become the standard bearer.

A Century of Transformation Eastern Communication Association, 2010. A Century of Transformation Studies in Honor of the 100th Anniversary of the Eastern Communication Association celebrates the anniversary of communication as a formally organized professional academic discipline. To mark this occasion the Eastern Communication Association has compiled a volume of essays examining the many different aspects of the discipline its history and its future. The only book of its kind this landmark anthology covers a multitude of topics including approaches to studying communication reviews of the current status of the discipline's major branches and transformations that the field has experienced throughout its 100 year history. Edited by James W Chesebro this volume contains essays written by venerable researchers and professors alongside selections from some of the field's upcoming leaders. Intended to serve as an analysis of both the past and future of the communication discipline *A Century of Transformation* is a valuable resource for capstone courses in communication. It is also captivating reading for anyone interested in the history growth and development of the discipline.
