Ipad Venmo Price:

Mayra Nicky Gonzalez, 2025-07-22 An eerie hypnotic debut about friendship desire and memory set against the sultry backdrop of Florida's swamplands A mesmerizing hallucinatory adrenaline rush of a novel Claire Luchette author of *Agatha of Little Neon* It's been years since Ingrid has heard from her childhood best friend Mayra a fearless rebel who fled their hometown of Hialeah a Cuban neighborhood just west of Miami for college in the Northeast But when Mayra calls out of the blue to invite Ingrid to a weekend getaway at a house in the Everglades she impulsively accepts From the moment Ingrid sets out danger looms The directions are difficult she's out of reach of cell service and as she drives deeper into the Everglades the wet maw of the swamp threatens to swallow her whole But once Ingrid arrives Mayra is in many ways just as she remembers with her sharp tongue and effortless seductive beauty still thumbing her nose at the world Before they can fully settle into the familiar intimacy of each other's company their reunion is spoiled by the reemergence of past disagreements and the unexpected presence of Mayra's new boyfriend Benji The trio spend their hours eating lavish meals and exploring the labyrinthine house which holds as much mystery as the swamp itself Indoors and on the grounds time itself seems to expand and Ingrid begins to lose a sense of the outside world and herself Against this disquieting setting where lizards dart in and out of porches and alligators peek from dark waters Gonzalez weaves a surreal unforgettable story about the dizzying power of early friendship and the lengths we'll go to earn love and acceptance even at the risk of losing ourselves entirely
