offers a nostalgic if unsettling reflection on the world they've grown up in and reassurance that they're not alone in their struggles. For younger girls, it provides context for where these challenges began and warns where they might be headed. And for parents, teachers, and older generations, it serves as a reminder that these issues have never been so intense. *GIRLS* concludes with a message of hope, reminding readers how to reclaim their privacy, defend their dignity, and above all, return to being people instead of products.
