TEXTBOOK EXERCISE
QUESTIONS

2.1 Encircle the correct answer from the given choices.

i. A body has translatory motion if it moves along a:
a) Straight line   b) circle
c) Straight line without rotation   d) all of these

ii. The motion of a body around an axis is called _____ motion.
a) Circular   b) Rotatory   c) Vibratory   d) Random

iii. Which of the following is a vector quantity?
a) Speed   b) distance   c) displacement   d) power

iv. If an object is moving with constant speed then its distance-time graph will be a straight line.
a) Along time-axis   b) Along distance-axis
c) Parallel to time-axis   d) Inclined to time-axis

v. A straight line parallel to time-axis on a distance-time graph tells that the object is:
a) Moving with constant speed   b) At rest
c) Moving with variable speed   d) In motion

vi. The speed-time graph of a car is shown in the figure, which of the following statement is true?
a) Car has an acceleration of 1.5 ms^{-2} b) Car has constant speed of 7.5 ms^{-1}
c) Distance travelled by the car is 75 m   d) Average speed of the car is 15 ms^{-1}

vii. Which of the following graphs is representing uniform acceleration?

a)

b)

c)

d)

viii. By dividing displacement of a moving body with time, we obtain:
a) Speed   b) Acceleration   c) Velocity   d) Deceleration

ix. A ball is thrown vertically upward. It velocity at the highest point is:
a) -10 ms^{-2} b) Zero   c) 10 ms^{-2} d) None of these

x. A change in position is called:
a) Speed   b) Velocity   c) Displacement   d) Distance

xi. A train is moving at a speed of 36 kmh^{-1}. Its speed expressed in ms^{-1} is:
a) 10 ms^{-1} b) 20 ms^{-1} c) 25 ms^{-1} d) 30 ms^{-1}

Drive Right Answers:

The Syntax of Yes and No Anders Holmberg,2016 This book is a cross linguistic study of the syntax of yes no questions and their answers drawing on data from a wide range of languages with particular focus on English Finnish Swedish Thai and Chinese There are broadly two types of answer to yes no questions those that employ particles such as yes and no as found in English and those that echo a part of the question usually the finite verb with or without negation as found in Finnish The latter are uncontroversially derived by ellipsis while the former have been claimed to be clause substitutes Anders Holmberg argues instead that even answers that employ particles are complete sentences derived by ellipsis from full sentential expressions and that the two types share essential syntactic properties The book also examines the related cross linguistic and intralinguistic variation observed in answers to negative questions such as does he not drink coffee whereby yes in one language appears to correspond to no in another The book illustrates how a seemingly trivial phenomenon can have the most wide ranging consequences for theories of language and will be of interest not only to theoretical linguists but also to students and scholars of typological and descriptive linguistics *Information Structure in Sign Languages* Vadim Kimmelman,2019-02-19 This book presents a first comprehensive overview of existing research on information structure in sign languages Furthermore it is combined with novel in depth studies of Russian Sign Language and Sign Language of the Netherlands The book discusses how topic focus and contrast are marked in the visual modality and what implications this has for theoretical and typological study of information structure Such issues as syntactic and prosodic markers of information structure and their interactions relations between different notions of information structure and grammaticalization of markers of information structure are highlighted Empirical studies of the two sign languages also showcase different methodologies that are used in such research and discuss their advantages and disadvantages The book contains a general introduction to the field of information structure and thus can be used by linguists new to the field

Yes, I Can Change , **Verbal Behavior** Burrhus Frederic Skinner,1957 **Not Like the Others: The Prophecy** Travis Simmons,2024-05-06 Murder Something that happens an average of 63 times a day in the United States Hidden within those deaths are unsolved cases fitting a particular profile Bodies with severe scarring and drained of blood Killings of this nature have become cold cases as there has been no evidence left behind Detective Maxwell Thorn specializes in these cases and has now brought said cases to close in four major cities in the last few years Having just finished in Atlanta a string of murders and missing now plagues Boston Detective Thorn is called to Boston after his most recent victory but not before a new wrinkle develops on his way out of Atlanta Unknown to the killers Detective Thorn is a hunter Not just of criminals but one of the most dangerous predators of humankind The killer he searches for are unlike most His predators were created and have been discussed for over 600 years There is more to his cases and hunting than meets the eye Max is the last of his kind and will find a prophecy unknown to him hangs over his head Max will soon face his greatest challenge and discover who has

orchestrated the string of murders that have led him to his newest destination is responsible for his previous stops Hunters have come and gone through the centuries But Max will uncover his destiny Will Max be up to this monumental confrontation or will he fall like all before him About the Author Born in California but raised in a small town in Alabama Travis Simmons has had a lifelong need and desire to create Beginning with new superheroes and wrestlers of his creation to poetry short stories and even wrestling booking Travis has an affinity for vampires and the supernatural He has enjoyed those tales and stories since childhood He takes that love and puts it into this story one that has had several iterations over the last 25 years Travis has brought them all together for Not Like the Others When not creating the author enjoys spending time with his wife and three children as well as their dogs family and friends Along with his love for creating Travis follows professional wrestling MMA football and baseball and never misses a big movie   The Chosen Arthur Ian Brown,2010-04   **CompTIA Tech+ Study Guide** Quentin Docter,2024-09-18 An easy to read and authoritative new study guide for the updated CompTIA Tech certification exam In the newly updated third edition of the CompTIA Tech Study Guide Exam FC0 U71 veteran IT professional and tech trainer Quentin Docter delivers an up to date resource for effectively and efficiently preparing for the popular new introductory Tech certification from CompTIA This Sybex Study Guide is the gold standard exam prep roadmap offering complete coverage of every exam domain including IT concepts and terminology infrastructure applications and software development data and database fundamentals security and more Perfect for practicing and aspiring entry level IT pros as well as those preparing to take the CompTIA Tech test this book includes complementary access to online learning resources two practice exams flashcards and practice questions with answer explanations You ll also find Optimized learning resources to get you up to speed as fast as possible Exam resources designed to reduce test anxiety and familiarize you with testing procedure and content One full year of access to the Sybex online learning environment complete with real world examples and scenarios objective maps and a glossary of useful terminology The new entry level CompTIA Tech certification has been created to get you ready for further certification paths like the A Security and Network credentials and prepare you for an exciting career in tech Whether you re an IT beginner or you ve already begun your tech journey and are looking for a refresher on foundational concepts CompTIA Tech Study Guide Exam FC0 U71 is the book you ve been waiting for

  Dynamics of Media Writing Vincent F. Filak,2018-07-18 This fully updated Second Edition of Dynamics of Media Writing helps students learn transferable skills that can be applied across all media platforms from traditional mass media formats like news public relations and advertising to digital and social media platforms Whether writing a story press release or a tweet today s media writers must adapt their message to each specific media format in order to successfully connect with their audience New to the Second Edition A new chapter on social media discusses the latest developments in this rapidly changing area New Helpful Hints boxes help students hone their media writing skills New and updated information on interviewing dictionary usage lead structure and more bring the book fully up to date Themes from the former Chapter 14

are now woven through the book to stress the importance of clarity and accuracy lifelong learning and transferable skills Fake news is now covered in multiple sections to help students both understand and spot it when reviewing the news Additional photos and graphics illustrate the various elements of storytelling to make the information easier for students to apply New Give It a Try features at the end of the Adapt and Connect boxes allow students to try out the skills outlined Bundle the new edition with the student workbook and save Your students save when you bundle this text with a corresponding student workbook Order using bundle ISBN 9781544361970 Give your students the SAGE edge SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review study and further exploration keeping both instructors and students on the cutting edge of teaching and learning Learn more at edge sagepub com filakmedia2e *Mesquite Jenkins* Clarence Edward Mulford,1928 **The South Western Reporter** ,1915 Includes the decisions of the Supreme Courts of Missouri Arkansas Tennessee and Texas and Court of Appeals of Kentucky Aug Dec 1886 May Aug 1892 Court of Appeals of Texas Aug 1892 Feb 1893 Jan Feb 1928 Courts of Civil and Criminal Appeals of Texas Apr June 1896 Aug Nov 1907 Court of Appeals of Indian Territory May June 1927 Jan Feb 1928 Courts of Appeals of Missouri and Commission of Appeals of Texas **United States review** ,1947 *Parliamentary Debates; Official Report[s]* Great Britain.
