Program Evaluation Clinton T. Brass, Blas Nunez-Neto, Erin D. Williams, 2008 Program evaluations can play an important role in public policy debates and in oversight of government programs potentially affecting decisions about program design operation and funding One technique that has received significant recent attention is the randomised controlled trial RCT There are also many other types of evaluation including the observational and qualitative designs [Evaluating Public Participation in Policy Making](#) Joanne Caddy, Organisation for Economic Co-operation and Development, 2005-08-31 *Evaluating Public Participation in Policy Making* examines the key issues for consideration when evaluating information consultation and public participation It looks at theory and practice and draws heavily upon the insights of experts from OECD countries Rather than a technical manual for professional evaluators it offers strategic guidance for policy makers and senior government officials responsible for commissioning and using evaluations of public engagement It offers concrete examples drawn from current practice in Canada the Czech Republic Finland Italy Mexico Norway Sweden and the UK

[Evaluating Library Programs & Services](#) Douglas Zweizig, 1993 **Resources in Education**, 1982 [Evaluating Teaching](#) James H. Stronge, 1997-06-20 This book presents current research and thinking about teacher evaluation and provides a coherent and comprehensive approach to designing implementing and monitoring quality teacher evaluation systems **Evaluating Comprehensive State Welfare Reforms** University of Wisconsin--Madison. Institute for Research on Poverty, 1997 **Final Report on the Design of a System for Collecting, Evaluating, and Disseminating Machinability Data for Aerospace Materials** John Maranchik (Jr.), Arthur L. Holt, Leonard A. Nienaber, Andrews O. Atkinson, John Frank Kahles, 1963 *International Classification*, 1990 Journal on theory and practice of universal and special classification systems and thesauri **Evaluation Roots** Marvin C. Alkin, 2004-02-24 Concern for evaluation theoretical prescriptions emerged about 40 years ago giving it a history that is both recent enough to be part of the living experience of many of today's theorists and old enough to afford an opportunity for an analysis of how the field has evolved over time This book examines current evaluation theories and traces their evolution with the point of view that theories build upon theories and therefore evaluation theories are related to each other Initially all evaluation was derived from social science research methodology and accountability concerns The way in which these evaluation roots grew to form a tree helps to provide a better understanding of evaluation theory Thus the book uses an evaluation theory tree as its central metaphor The authors posit that evaluation theories can be classified by the extent to which they focus on methods uses or valuing these three approaches form the major limbs of the tree In addition to the authors overview which analyzes the evaluation theory tree and connections among theories the book contains essays by most of the leading evaluation theorists In these pieces the evaluators comment on their own development and give their views of their placement upon the tree

Fundamental Issues in Evaluation Nick L. Smith, Paul R. Brandon, 2007-10-25 Providing state of the art perspectives on what evaluation is its purpose and how to ensure it is done well this book brings together major evaluation researchers

from a variety of social and behavioral science disciplines Each chapter identifies a fundamental issue facing the field today considers its implications for theory method practice or the profession and explores one or more approaches to dealing with the issue Among the topics addressed are the nature of expertise in evaluation how to build a better evidence base for evaluation theory promoting cultural competence in evaluation how to synthesize evaluation research findings ways to involve stakeholders in decision making and much more

Evaluating Justice Julian V. Roberts, Joe Hudson, 1993 There have been substantial developments in the field of program evaluation in Canada in recent years specifically in the evaluation of justice programs However there is very little published material available on program evaluations of justice programs in Canada Evaluating Justice Canadian Policies and Programs is intended to address this need and to serve as a supplementary text and reader that provides Canadian materials and cases illustrating basic principles for organizing and doing program evaluation research Practitioners in private practice and those employed in government as evaluators will find this book a useful source of information about the evaluation of justice programs in this country The book contains sections on the police courts and corrections Each chapter consists of case studies dealing with different substantive matters and justice programs undertaken in different parts of the country Each chapter presents basic information about the substantive program as well as the approach used in its formal evaluation Each chapter is written by a Canadian scholar or practitioner
