Investment Management Theory and Practice Dr. R.P. Rustagi, 2021-01-21

The motivation for the Eleventh Edition of Investment Management has been provided by the enthusiastic response of the readers and reviewers to the earlier editions, which together with reprints were sold out within a few months of the publication. The book has been presented as an introductory level text on the theory and practice of investment. It has been accepted by the students of finance preparing for a paper on investment management, particularly the B.Com (H) Vth Semester CBCS Annual

Mode of University of Delhi The highlight of the Eleventh Edition is the presentation of Concept Checks in the form of Test Yourself at various places in different chapters This will give an opportunity to the students to apply the concepts which they have read so far Additional working notes and explanations have been provided at various places through out the book Comments and suggestions received from students as well as teachers have been duly incorporated In an attempt to keep intact the basic structure of the book the chapter plan has not been changed Nevertheless sufficient material has been added in Chapter 6 Fundamental and Technical Analysis with a view to provide more insight into technical analysis Several numerical illustrations have been added in different Chapters at appropriate places
