I Am Homeless If This Is Not My Home Lorrie Moore, 2024-05-21 Fifty years from now it may well turn out that the work of very few American writers has as much to say about what it means to be alive in our time as that of Lorrie Moore Harper's Magazine Lorrie Moore's first novel since *A Gate at the Stairs* a daring meditative exploration of love and death passion and grief and what it means to be haunted by the past both by history and the human heart From one of the most acute and lasting writers of her generation Caryn James *The New York Times* a ghost story set in the nineteenth and twenty first centuries an elegiac consideration of grief devotion filial and romantic and the vanishing and persistence of all things seen and unseen A teacher visiting his dying brother in the Bronx A mysterious journal from the nineteenth century stolen from a boarding house A therapy clown and an assassin both presumed dead but perhaps not dead at all With her distinctive irresistible wordplay and singular wry humor and wisdom Lorrie Moore has given us a magic box of longing and surprise as she writes about love and rebirth and the pull towards life Bold meditative theatrical this new novel is an inventive poetic portrait of lovers and siblings as it questions the stories we have been told which may or may not be true *I Am Homeless If This Is Not My Home* takes us through a trap door into a windswept imagined journey to the tragic comic landscape that is unmistakably the world of Lorrie Moore
