Christopher Marlowe's Doctor Faustus Christopher Marlowe, 1991 Marlowe's Doctor Faustus is one of the classics of English literature its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike but the fact that this play exists in two quite different early versions printed in 1604 and 1616 has posed formidable problems for textual scholars and critics How much of either version was written by Marlowe and which version is the more authentic Is the play orthodox or radically interrogative Although recent studies have shown that much of the 1616 text consists of revisions carried out a decade after Marlowe's death and that the 1604 version is closer to the play's original form most other editions are still based upon the 1616 text Michael Keefer's new 1604 version edition which takes account of recent developments in textual criticism and literary theory offers a better and aesthetically more satisfying text than those currently in use Keefer's introduction reconstructs the Renaissance ideological concepts that shaped and deformed Doctor Faustus and the text is accompanied by collations textual and explanatory notes and excerpts from sources

Doctor Faustus Christopher Marlowe,1969 Doctor Faustus is a classic its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike But the fact that this play exists in two early versions printed in 1604 and 1616 has posed formidable problems for critics How much of either version was written by Marlowe and which is the more authentic Is the play orthodox or radically interrogative Michael Keefer s early work helped to establish the current consensus that the 1604 version best preserves Doctor Faustus s original form and that the 1616 text was censored and revised the first Broadview edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place All competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer s fresh analysis of the evidence showed that the 1604 quarto s Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This revised and updated Broadview edition offers the best available text of Doctor Faustus Keefer s critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources BOOK JACKET
