Mentoring Languages Teachers in the Secondary School Laura Molway,Anna Lise Gordon,2025-05-21 Mentoring Languages Teachers in the Secondary School helps mentors of beginning languages teachers in both developing their own mentoring skills and providing the essential guidance beginning teachers need as they navigate the roller coaster of the first years of teaching Offering tried and tested strategies based on the best research and evidence it covers the knowledge skills and understanding every mentor needs and offers practical tools such as lesson plans feedback guides observation sheets and examples of dialogue with beginning languages teachers Research suggests that the role of the mentor is highly influential to the beginning teacher and this book considers language specific aspects as well as a focus on the holistic well being of the beginning teacher Together with analytical tools for self evaluation this book is a vital source of support and inspiration for all those involved in developing the next generation of outstanding languages teachers Key topics explained include the following Roles and responsibilities of mentors The subject knowledge and understanding required by beginning languages teachers The lesson planning process Guidance on teaching core skills of reading writing speaking and listening Development opportunities for languages teachers Observations and pre and post lesson discussions Filled with the key tools needed for the mentor's individual development this new text offers an accessible guide to mentoring languages teachers with ready to use strategies that support inspire and elevate both mentors and beginning teachers alike MAN UP Scott C. Schuler,2017-11-14 I've watched men change from confident decisive and action oriented lions to second guessing scared of their shadows don't rock the boat mice They don't feel confident in relationships work environments or anywhere Men are either looking for something or running from something maybe it's a bit of both Well it's time to stop running It's time to MAN UP to face the real issues Being a real man is about being true to yourself first It means finding strength from living authentically and then sharing that strength with others Being a real man means understanding who you are and how to

influence the world for the better A real man is an asset to those around him He doesn't have to take charge but he leads the charge and people want to join in A real man draws people in In fact he is completely irresistible Men may feel like they have lost the permission they once had to be men but I'm here to tell you that you don't need permission You don't need anyone authorizing you to be who you were meant to be It's time to stop trying to please everyone else It's time to stop apologizing for thinking like a man acting like a man and being a man It's time to MAN UP

Recruitment, Retention, and Turnover of Police Personnel Dwayne W. Orrick, 2008 The recruitment and selection of exceptional personnel are critical to a police department achieving its mission however agencies nationwide are experiencing difficulty finding and retaining qualified officers This book provides a systematic approach to successful employee recruitment in both law and enforcement and criminal justice agencies The text discusses in detail the legal environment and necessity to develop a diverse workforce It further outlines the need benefits and steps for identifying a department's core values conducting an organizational assessment and completing a sta
