

THE 50 COMPANIES WITH THE BEST CUSTOMER SERVICE

METHODOLOGY

Qualtrics XM uses a proprietary methodology to measure customer service performance. The methodology is based on a combination of quantitative and qualitative data. Quantitative data is collected through surveys, while qualitative data is collected through social media monitoring and customer feedback. The methodology is designed to provide a comprehensive view of customer service performance across a wide range of categories and industries.

American Customer Satisfaction Index (CSI) 2023

The American Customer Satisfaction Index (CSI) is a widely recognized benchmark for customer service performance. It measures customer satisfaction across a variety of industries and services. The CSI score is calculated based on a survey of customers, who are asked to rate their satisfaction with the company's service. The CSI score is then compared to the scores of other companies in the same industry to determine the company's relative performance.
