Wouldn t it be awesome if life had a manual Not for your daily how tos like cooking or ironing but for when the real shit pops up The money shit we have no idea how to navigate like negotiating a raise or buying a car The relationship shit that slaps us in the face as we turn into full fledged adults like surviving a gut wrenching breakup and having the courage to fall in love The mind fucks that sneak into our brains after puberty like a ninja and set up camps of anxiety loneliness and regret The life shit that somehow was completely ignored throughout more than a decade of schooling like protecting your privacy online traveling on any budget and finding motivation when it seems impossible We ve made it this far but after countless conversations with friends it became obvious to me that our childhood education had a ton of gaps Sure we learned linear equations and got to dissect frogs for some reason but no one taught us what the difference between an HMO and a PPO was and why it s important I took several years

of Algebra but not once was a Mutual Funds class offered That s where Shit Adults Never Taught Us comes in This book picks up where the adults left off and helps fill in all our insufficient knowledge by going beyond the Google search bar Disguised as a self help book this mini memoir uses personal experiences including some epic failures to guide you through the most perplexing moments in life Shit Adults Never Taught Us covers a lot of topics including career strategies mental health emotional quandaries and navigating all of the WTF moments of adulthood *What's Up With Women and Money?* Alison Kosik,2025-03-04 Former CNN CNN International Anchor and Business Correspondent Alison Kosik recognized around the globe as the face of Wall Street for the network found herself trapped in a failing marriage The savvy mother of two was terrified to leave her husband Why She didn't have the confidence to take on big financial decisions on her own Despite spending her working hours explaining financial and business concepts she had allowed her husband to take charge of all their big money decisions from buying a house and how to finance it to their investments and retirement savings and had no clue how to do any of it on her own It sounds crazy doesn't it But Alison is far from atypical It turns out plenty of educated and high achieving women married or single avoid getting involved with managing their financial lives In *What's Up With Women and Money* Alison gives a step by step action plan on a variety of money topics Alison also interviews dozens of women who share their cautionary tales of why avoiding money decisions can lead to bad outcomes Alison also talks one on one with inspirational women like Sheryl Sandberg Rebecca Minkoff Jessica Alba Barbara Corcoran and Deepica Mutyala women who inspire other women and help them gain confidence to take control of their financial lives Alison simplifies complicated financial topics of investing car buying and paying down debt breaking them down into easy to follow steps with practical tidbits that make each page accessible digestible and fun By the end of *What's Up With Women and Money* women will not only feel empowered and confident about their finances but they will also feel ready to take action after being motivated without judgment *Investing Online For Dummies* Matthew Krantz,2016-01-13 Building substantial online investments is a page away Anyone can invest online but without the right guidance and know how a well meaning online investment can go wrong fast Inside you'll find the investment strategies you need to pick a winning strategy find an online broker and build a successful investment portfolio This friendly and easily accessible guide bypasses confusing jargon and points you toward the most helpful websites online calculators databases and online communities that will help you succeed in the stock market Updated to cover the latest tools of the trade this new edition of *Investing Online For Dummies* offers expert online investing advice that you can take to the bank From setting reasonable expectations figuring out how much to invest and assessing appropriate risks to picking an online broker and finding investment data online this power packed book sums up everything you'll encounter as you invest your way to hard earned financial success Understand the basics of investing and learn to measure risks Analyze stocks and financial statements Choose an online broker and execute trades online Use online tools to calculate your investment performance Don't take a risk on the wrong tool or strategy Investing
