Nhl Opening Night Update Install:

Fish Sticks Peter Botte, Alan Hahn, 2003-04 Once upon a time the New York Islanders were the embodiment of greatness four time Stanley Cup champions and a model franchise in the National Hockey League during the early 80s The dynasty quickly crumbled however and the team found itself in a seemingly never ending freefall One embarrassing episode after another befell the once mighty Islanders Kirk Muller balked at being traded to the team the team's classic logo was replaced with one that was vehemently ridiculed earning the team the nickname Fish Sticks a slick con artist managed to buy the team with nothing more than his charm the team failed to make the playoffs seven seasons in a row as miserly owners purged players salaries Hall of Fame great Bryan Trottier feuded with the team and blocked the retirement of his jersey embattled general manager Mad Mike Milbury couldn't do anything to get himself fired Yet having finally hit bottom after enduring countless trials and near unbelievable tribulations the team has begun its climb to the top New owner Charles Wang has brought not only a desire to return the Islanders to their place of pride but also the money to do it The team experienced a remarkable resurgence during the 2001-02 season Ticket sales have skyrocketed since that breakthrough success with the team expecting to fight its way back into the playoffs for a second straight season [The Discount Merchandiser](#), 1991-07
