3. *Attempt questions based on specific instructions for each Part.*

SECTION A
READING SKILLS

(20 marks)

- | | | |
|-----------|---|-----------|
| 1. | Read the following passage. | 10 |
| 1 | The growing preference for indigenous craft items is a welcome trend in today's globalised world, where mass-produced goods often dominate markets. These handcrafted products, rooted in the cultural and artistic traditions of their regions, offer more than just aesthetic appeal. They symbolise sustainability, support local economies, and preserve the heritage of diverse communities. | |
| 2 | One of the primary reasons for choosing indigenous crafts is their eco-friendliness. Unlike factory-made products, most traditional crafts are created using natural, locally sourced materials. Artisans often employ time-tested methods that minimise waste and avoid harmful industrial processes. For example, pottery made from local clay, handwoven textiles using organic dyes, and bamboo-based crafts all have a much lower environmental footprint compared to their machine-made counterparts. By opting for these items, consumers indirectly contribute to reducing pollution and promoting sustainable practices. | |
| 3 | Supporting indigenous crafts also strengthens local economies. Many artisans depend solely on their craft for livelihood, often working in small communities where opportunities for other forms of employment are limited. When people purchase their products, it provides a direct income to these artisans, empowering them and encouraging their craftsmanship. Initiatives like fair trade further ensure that artisans receive fair wages, fostering economic stability within their communities. | |
| 4 | Moreover, indigenous craft items help preserve cultural heritage. Every handcrafted product carries a story—a glimpse into the traditions, beliefs, and skills passed down through generations. In India, whether it's paintings, terracotta jewellery, sculptures, athangudi tiles, mud work frames or many others, each item reflects the unique identity of | |
