API Management Brajesh De, 2017-03-17 Maximize the impact of your assets and business services by providing APIs for developers and other users The journey described in this book starts with identifying business

assets As part of the API team you then need to identify and define the requirements of traffic management security mediation and orchestration You also must define metrics for the analytics to measure the success of the overall API program API documentation and the ease of developer onboarding also determine the success of the APIs Finally monetization of these APIs leads to revenue generation for the enterprise Author De an expert in building and managing API solutions provides enterprise architects designers and technologists with insight into the world of APIs and the various technical aspects of building and managing an effective API management solution API Management Developing and Managing APIs for your Organization Introduces the basics of APIs and highlights their value Provides an overview of technologies for building an API management solution and defines the requirements including how to build a RESTful API Offers design principles for building developer friendly APIs Explains how to secure your APIs Shows how to use API analytics to measure the success of your APIs Demonstrates how to monetize APIs Finally API Management touches on various technical nuances of creating distributing and managing an API This book will not only help you learn how to design build deploy and manage an API for an enterprise scale but also generate revenue for your organization What You ll Learn Discover the API life cycle Design and develop APIs Implement API security Test your APIs Deploy and monitor your APIs Who This Book Is For Enterprise architects technology enthusiasts security architects and operations specialists Intelligence analysis in social media Girdan,2021-02-28 The global security environment dominated and dependent on information and communication technology generates an accumulation of disruptive factors for society This volume in direct accordance with technological developments that have facilitated information avalanche and anonymous communication has required interdisciplinary research in areas such as psychology sociology computer science social media communication and legislation The research aims to establish whether social media platforms through the actions they facilitate can pose risks and threats to national security and to identify premises in order to stimulate strategies that should be followed to avoid transforming various forms of online communication into a potentiating and generating factor of crime radical or extremist opinions mass manipulation etc At the same time the research offers an alternative vision on approaching the concept of intelligence in the context of the development of social media networks SocMInt and promotes ways to improve and streamline how to achieve objectives that can be successfully applied including in business intelligence In this regard a case study is conducted on the effects of CoVid 19 pandemic SARS CoV 2 coronavirus from the perspective of law enforcement agencies Although the individually exploitation of SocMInt does not provide a comprehensive answer it must be used in the initial stages of decision making and effort making due to the low costs compared to other Int disciplines The volume does not present a solution to current problems but through its didactic documentary and informative nature it offers professional support at high standards to analysts and managers in decision making A Fate So Cold Amanda Foody,C. L. Herman,2025-11-04 TWO CHOSEN ONES WITH ONE CHOICE THE WORLD OR EACH OTHER A Fate So Cold is the first of a new blockbuster duology from the New

York Times bestselling authors of All of Us Villains Amanda Foody C L Herman For most of the year Summer reigns peacefully over Alderland Then for six brutal weeks Winter rages obliterating towns and wreaking casualties Magicians bond with powerful wands of Summer to defend the nation a duty that costs many their lives Domenic Barrow never wanted such responsibility but destiny hasn't granted him a choice The greatest Summer wand has awakened for the first time in a century warning that an icy cataclysm looms on the horizon And despite his reputation as the least suited of his classmates the wand Chooses Domenic to wield it Ellery Caldwell spent years striving to be a perfect Summer magician and burying her fears of her own power But her worst suspicions are proven true when she accidentally creates the first ever Winter wand Now as the unprecedented Chosen Two Domenic and Ellery must thwart the oncoming cataclysm together And in trying to fulfill their destinies they wonder if they were brought together for a second fate to fall in love Until they discover the unthinkable truth The Chosen Two aren't fated allies but eternal rivals and the only way to save their home is for one of them to slay the other This is no love story It's a tragedy At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
