Annual Report on the OECD Guidelines for Multinational Enterprises 2011 A New Agenda for the Future

OECD,2012-01-02 The report provides a first assessment of the outcome of the 2011 Update of the Guidelines adopted at the OECD Ministerial Meeting and a compilation of ideas for future implementation It also reports the actions taken by the 42 adhering governments from June 2010 to June 2011

Business Ethics and Continental Philosophy

Mollie Painter-Morland,René ten Bos,2011-10-06 Business ethics has largely been written from the perspective of analytical philosophy with very little attention paid to the work of continental philosophers Yet although very few of these philosophers directly discuss business ethics it is clear that their ideas have interesting applications in this field This innovative textbook shows how the work of continental philosophers Deleuze and Guattari Foucault Levinas Bauman Derrida Levinas Nietzsche Zizek Jonas Sartre Heidegger Latour Nancy and Sloterdijk can provide fresh insights into a number of different issues in business ethics Topics covered include agency stakeholder theory organizational culture organizational justice moral decision making leadership whistle blowing corporate social responsibility globalization and sustainability The book includes a number of features designed to aid comprehension including a detailed glossary of key terms text boxes explaining key concepts and a wide range of examples from the world of business

Ethical Corporation Magazine ,2009-07 The Role and Limitations of Technology in U.S. Counterinsurgency Warfare Richard W. Rubright,2015-02 Richard W Rubright addresses the limits and constraints of technology in enhancing American military capability Analyzing the confines and self imposed restrictions on the use of technology as well as current military doctrine he develops a new rubric for guiding the military in modern warfare This book is the first to address the role of technology in counterinsurgency operations within operational tactical and strategic contexts Dust jacket

The Globalisation of Corporate Governance

Adrian Davies,2016-03-09 The structure of corporate governance has made significant progress in OECD countries but it remains imperfectly linked to the activities of many businesses Its advance on the global stage will be hesitant and slow until its practice in OECD countries is more consistent and convincing Weaknesses in corporate governance and law enforcement are impeding the investment needed to build the global economy to its full potential The Globalisation of Corporate Governance The Challenge of Clashing Cultures explores the challenges of making corporate governance effective for all participants in a global economy The tasks of o

International Management

David H. Holt,Karen W. Wigginton,2002 Drawing from expansive international experience and expertise Holt goes beyond the traditional text and delves beneath the surface of international management This text offers a truly global perspective incorporating research and case examples from around the globe not just the United States and Canada The text focuses on the most important aspect of international management leadership in a cross cultural multidomestic and multicultural environment The market includes all universities that teach a course in International Management It may be used for both upper division undergraduate and graduate level courses
