Fundamentals of Corporate Finance Stephen A. Ross,Bradford D. Jordan,Randolph Westerfield,Gordon Sam Roberts,J. Ari Pandes,Thomas A. Holloway,2021 When the three of us decided to write a book we were united by one strongly held principle Corporate finance should be developed in terms of a few integrated powerful ideas We believed that the subject was all too often presented as a collection of loosely related topics unified primarily by virtue of being bound together in one book and we thought there must be a better way One thing we knew for certain was that we didn t want to write a me too book So with a lot of help we took a hard look at what was truly important and useful In doing so we were led to eliminate topics of dubious relevance downplay purely theoretical issues and minimize the use of extensive and elaborate calculations to illustrate points that are either intuitively obvious or of limited practical use

New Money Lana Swartz,2020-08-18 A new vision of money as a communication technology that creates and sustains invisible often exclusive communities In an engaging and timely work brimming with fascinating anecdotes and historical and literary references Lana Swartz brilliantly illustrates how financial technologies are quietly transforming how we socialize and what it means to belong Jonathan Zittrain author of *The Future of the Internet And How to Stop It* One of the basic structures of everyday life money is at its core a communication media Payment systems cash card app or Bitcoin are informational and symbolic tools that integrate us into or exclude us from the society that surrounds us Examining the social politics of financial technologies Lana Swartz reveals what s at stake when we pay This accessible and insightful analysis comes at a moment of disruption from fin tech startups to cryptocurrencies a variety of technologies are poised to unseat traditional financial infrastructures Swartz explains these changes traces their longer histories and demonstrates their consequences She shows just how important these invisible systems are Getting paid and paying determines whether or not you can put food on the table The data that payment produces is uniquely revelatory and newly valuable New forms of money create new forms of identity new forms of community and new forms of power
