The Art of Home Bible Study James Glover,2013-02-15 This book is written for church laypersons with the purpose of aiding those who wish to become at least beginning novice of learned biblical knowledge and interpretation on their own in order not to be primarily dependent upon others to disclose the biblical message to them For too long ministers have allowed the laity to rely primarily on Sunday school curriculum materials alone or other canned preprinted Bible study programs to enable the biblical message to come alive in their lives This is not a criticism of the curriculum materials in question but the dependency upon them which result in a form of stunted biblical growth in the word of God When the Bible admonishes us to study to show thyself approved unto God RIGHTLY dividing the Word of truth 2Timothy 2 15 how do we respond without a method of study as individuals on our own If Christian education functions as it should we need to produce people who are growing in the knowledge and wisdom of the word moving from being BABES of the word fed with milk to becoming adults in the word being able to digest the meat of sound doctrine as the apostle Paul admonishes us to become This should enable us to become at least semi dependent learners and critical biblical thinkers and not merely receptacles of information fed to us about the word of God **Outlines for the Study of English Classics** Albert Franklin Blaisdell,1881 **Halliwell's Film**
