Student's Name: _____

Goodreads is a single site with a big, colorful array of books that you can find and read online. It's like a library where you can find books that you want to read, but you don't have to go to a library. You can find books that are new, popular, or just something you've always wanted to read. You can also find books that are recommended by other people who have read them. It's a great place to find books that you might not have thought of otherwise. You can also find books that are recommended by other people who have read them. It's a great place to find books that you might not have thought of otherwise.

The origin of Goodreads was a result of a discussion between two members of a private book club. In early 2002, two members of a private book club were talking about the fact that they were having trouble finding books to read. They were looking for a place where they could find books that they were interested in. They were looking for a place where they could find books that they were interested in. They were looking for a place where they could find books that they were interested in.

At first, Goodreads was just a place where you could find books that you were interested in. It was a place where you could find books that you were interested in. It was a place where you could find books that you were interested in. It was a place where you could find books that you were interested in.
