Antología de Poetas Hispano-americanos Publicada Por la Real Academia Española: Chile. Republica Argentina. Uruguay Marcelino Menéndez y Pelayo,1895 *Antologia Aeternum* Michael Louie,2025-08-14 In the shadows of New York City magic breathes in hidden corners and power is a currency more dangerous than gold Aiden a young college student haunted by the loss of his mother stumbles into a secret world where every choice tilts the balance between wonder and ruin But here the only monsters are people those who have traded their humanity for influence and whose reach extends far beyond the streets they walk Drawn into a dangerous game of secrets and survival Aiden must navigate shifting alliances unravel arcane mysteries and confront the truth about his own past Every step forward pulls him deeper into a web where ambition corrodes the soul and every kindness hides a blade With a cast of unforgettable allies and enemies and a city that hums with unseen forces his journey will demand more than courage it will demand a piece of himself Futurum is a dark thrilling debut that blends urban fantasy slow burn horror and taut suspense into a tale where the extraordinary hides in plain sight and the deadliest magic is the kind wielded by those who believe they can never fall Writing Antologia Aeternum began in the spring of 2022 but its foundation was seeded long before an idea quietly germinating over more than a decade I've long believed that every great work of fiction rests upon the scaffolding of a compelling creation myth one that not only explains a world's origins but also mirrors the questions values and contradictions of its creator I set out to construct such a myth one steeped in the fantastical the esoteric and the paranormal yet anchored in the subtle ache of lived experience In doing so it became a meditation on belief itself a way to interrogate what we accept as real and what we dare to imagine as possible At its core Antologia Aeternum is not merely a story of heroes and villains The true antagonist isn't any single character but a deeper more insidious force the unrelenting grip of capitalist dogma and the quiet complicity that sustains it In shaping this world I sought to expose how systems of power masquerade as inevitabilities how they entrench themselves in our daily lives our choices and our stories This narrative asks not only who holds power but at what cost and more importantly who pays that cost in the relentless pursuit and preservation of that power [Antología de escritoras españolas de la Edad Media y el Siglo de Oro](#) Luzmila Camacho Platero,2019-10-10 Antología de escritoras españolas de la Edad Media y el Siglo de Oro ofrece una selección de obras literarias de ocho escritoras medievales renacentistas y barrocas Cada capítulo presenta una extensa introducción sobre la autora y su obra Esta antología contribuye a mejorar el conocimiento de los estudiantes sobre la lengua la literatura y la cultura españolas al igual que ofrece una lectura desde la perspectiva de género de estas escritoras Acompañada de textos originales modernizados al castellano actual notas aclaratorias actividades y una extensa y actualizada bibliografía Antología de escritoras españolas de la Edad Media y el Siglo de Oro muestra la evolución de voces femeninas a lo largo de estos siglos Las actividades sugeridas para cada capítulo ayudan a exponer y a reflexionar sobre la relevancia cultural que en la actualidad tienen los argumentos que estas mujeres proponentes en sus trabajos Esta
