Martin,2022-05-03 Named one of 10 Must Read Career and Leadership Books For 2022 by Forbes The ultimate guide to the essentials of strategy and management from one of the world s top business thinkers Over a stellar career Roger Martin has advised the CEOs of some of the world s most successful companies From the beginning he noted that almost every executive he talked to had a model a framework or way of thinking that guided their strategy and activities But these models tended to become automatic so much so that when one didn t work the typical response was just to apply it again with greater enthusiasm Martin took a fresh critical approach to helping When company leaders came to him with fundamental questions How do you decide where to play and how to win What is the key to shaping and changing corporate culture How can you design a successful sustainable innovation process his first response was to break the spell of the current model with a memo articulating a new way to think about the problem at hand and a more powerful and effective way to successfully overcome it Over time these ideas worked their way into Martin s many Harvard Business Review articles Now for the first time they appear together in *A New Way to Think* With his trademark incisive intellect and clarity Martin covers the entire breadth of the management landscape illuminating the true nature of competition explaining how company success revolves around customers revealing how strategy and execution are really the same thing and much more Reading like a series of one on one sessions with one of the world s leading business thinkers *A New Way to Think* is an essential guide for any current or aspiring business leader *Social Media and Online Consumer Decision Making in the Fashion Industry* Tarnanidis, Theodore, Papachristou, Evridiki, Karypidis, Michail, Ismyrlis, Vasileios,2023-08-01 Today many fashion brands use social media marketing strategies to increase awareness about their brand and influence consumers decision making patterns Further consumers use social

media platforms to find relevant and reliable information for structuring their preferences and making evaluations Web 2.0 tools in the digital age provide consumers with a plethora of interactive and user control information that helps them acquire and share brand information which in turn impacts their purchase decision preferences The bulk of the data produced by social media tools provides brand marketers with information about the consumers wants beliefs commitment habits and purchasing intentions which in turn is useful for the development and implementation of marketing strategies Social Media and Online Consumer Decision Making in the Fashion Industry provides critical research on effective methods techniques and tools for evaluating the impacts of social media on the consumer decision making process The book explores the pertinence of web based social media tools and how the fashion business sector can benefit from social media innovation approaches in digital environments Covering topics such as mobile apps consumer decision making processes and communication technologies this book is ideal for students brand executives marketing professionals researchers interested in social media technology and more

The Digital Is Kid Stuff Josef Nguyen, 2021-12-28 How popular debates about the so called digital generation mediate anxieties about labor and life in twenty first century America The children are our future goes the adage a proclamation that simultaneously declares both anxiety as well as hope about youth as the next generation In The Digital Is Kid Stuff Josef Nguyen interrogates this ambivalence within discussions about today s digital generation and the future of creativity an ambivalence that toggles between the techno pessimism that warns against the harm to children of too much screen time and a techno utopianism that foresees these digital natives leading the way to innovation economic growth increased democratization and national prosperity Nguyen engages cultural histories of childhood youth and creativity through chapters that are each anchored to a particular digital media object or practice Nguyen narrates the developmental arc of a future creative laborer from a young kid playing the island fictions of Minecraft to an older child learning do it yourself skills while reading Make magazine to a teenager posting selfies on Instagram to a young adult creative laborer imagining technological innovations using design fiction Focusing on the constructions and valorizations of creativity entrepreneurialism and technological savvy Nguyen argues that contemporary culture operates to assuage profound anxieties about and to defuse valid critiques of both emerging digital technologies and the precarity of employment for creative laborers in twenty first century neoliberal America
