**The Age of Netflix** Cory Barker, Myc Wiatrowski, 2017-09-12 In 2016 Netflix with an already enormous footprint in the United States expanded its online streaming video service to 130 new countries adding more than 12 million subscribers in nine months and bringing its total to 87 million The effectiveness of Netflix s content management lies in its ability to appeal to a vastly disparate global viewership without a unified cache of content Instead the company invests in buying or developing myriad programming and uses sophisticated algorithms to narrowcast to micro targeted audience groups In this collection of new essays contributors explore how Netflix has become a cultural institution and transformed the way we consume popular media

**Streaming Video in the Global South** Shakti Jaising, Hadi Gharabaghi, 2026-01-22 This collection provides the first book length study of how audiovisual streaming is reshaping media ecologies and cultural life across the global South including Asia North Africa and South America
