The Beauty of Modern Maturity Karl Otto Schmidt,1977

Preparing for Heaven Gary Black, Jr., 2015-10-13 In his acclaimed books renowned writer speaker and philosophy professor Dallas Willard explored the nature of Christian life in God's Kingdom Yet one topic remained undisclosed Willard's understanding of heaven and eternal life In the months before his death Willard engaged in moving and insightful conversations about the meaning of life and the life to come with close friend and theologian Gary Black Jr These inspiring dialogues were steeped in biblical theology as well as practical wisdom grounded in the here and now In *Preparing for Heaven* Black reveals not only Willard's profound and liberating vision of life after death he also deftly unpacks the implications these realities hold for our lives today Black shows how Willard understood our mortal lives as preparation for what comes next that death is not the end of one life and the beginning of another but rather a transition through which we continue the transformational work begun on Earth Informative challenging and poignant Willard and Black's conversations and insights challenge us to reconsider our beliefs that perhaps the line separating the afterlife from this life is not as absolute as we think and that there is work to be done both now and in the glorious life to come As a result we will find that our faith is more vibrant and eternal than we have dared to imagine
