Fallen Gods Rachel Van Dyken, 2025-12-02 They said the Gods were myth That the Giants were only stories told around dying fires They lied The Gods aren't dead they're only sleeping locked in mortal bodies scattered across the world waiting for the right spark to wake them And my father is the most ruthless of them all He raised me to obey To bleed To be his blade when the time came Now he's sending me to Endir University a place filled with ancient bloodlines and deadly secrets to steal back Mjolnir the hammer of legend If I fail everyone I love dies But Aric Erikson wasn't part of the plan He's the enemy's heir Distant Dangerous And the one person I can't afford to fall for He's closed himself off completely behind a wall of ice but the more I'm ordered to unravel him the harder it becomes to remember where the lies end and I begin There's only a mission I never chose and a man I was never meant to love standing between me and a war that will decide the fate of the world But if I'm the spark maybe he's the fuse And the Gods They're about to wake up angry *Woke Love Book 1*
