## **Gillette Fusion Case Study Solution:**

*Listen First!* Stephen D. Rappaport, 2011-04-12 LISTEN FIRST Shhh Listen Hear that That s the sound of your business The conversations taking place online and in the marketplace tell you nearly everything you need to know about your company and your customers what people are saying about you how they use your products whether they ll buy or recommend your product and how they respond to your marketing and advertising Listening provides unrivaled insight If you do it right you ll have a decisive edge over your competition as you adapt faster to customer needs and market changes Listening is ultimately about gaining business advantage Based on authoritative research from the Advertising Research Foundation Listen First delivers a playbook for marketing and advertising success fully in our conversational era This book explains what listening is how to do it how it s used and where it s headed Done well social media listening uncovers pivotal insights that guide marketing as well as product development customer service and just about all business functions that touch customers and other stakeholders You ll learn the tools winning plays and proven tactics for listening so that you can Understand what customers are thinking feeling and doing in their lives that affect demand and interest in your products or services Identify threats to your reputation See how customers position competing brands in their minds not as advertisers position them Sense market shifts that threaten existing business or present new opportunities Develop new products or refine your current lineup by bringing customer voices into R D innovation and concept testing Make your messages more relevant and sharpen targeting by directing messages to people according to their conversational interests Keep sales humming even when business conditions might be unfavorable or better predict short term sales based on the volume and specifics of conversational activity Determine competitors strengths and weaknesses Plan and buy advertising based on where conversations are happening Organize your company to maximize listening s value across all its departments Listen First gives you evidence research and expert viewpoints that will enable you to take advantage of listening and build your business over the short term and for the long haul If you want your company to have a sustainable business advantage in an uncertain world it is time to start and act on listening

Retail Supply Chain Management James B. Ayers, Mary Ann Odegaard, 2007-11-26 A consequence of business specialization is the implementation of weak processes that cross departmental and corporate boundaries Supply chain management SCM addresses this issue by requiring a process view that reaches across these confines Due to globalization and a competitive environment those within the retail supply chains are particular
